Mr. Sieel was not able to be present himself on the first night, but got Lieut. BROKEN ARE.—On Saturday, the 14th inst., Mr. Richart Howden, who lives a mile south of this place, went to a threshing at Mr. Boyd's on the actioing farm, and while he was there a belt came off the mackine, which he went to put on again, but while doing so the belt wound around the pulley, which was revolving very rapidly, and drew in his right hand, breaking one of the bones of the arm and bruising the wrist in an ugly manner. Dr. Carmichael was called in at once and under his skilful treatment Mr. Howden will soon be able to be around again.

OBIT.—A child of Mr. Thos. McBride's of this place, about a year old, died on Thursday, 12th inst., after a lingering illness, and the funeral took place on the following Saturday, which was attended by a number of friends and acquaintances, who followed the remains to the Methodist burying ground, a mile north of this place. The parents have the deepest sympathy of the people of this neighborhood in their sad trist.

PERSONAL.—Owing to our teacher, Mr. Wm. Bickson, being ill, our school has been closed for the last week; but under the medical treatment of Dr. Carmichael he was able to resume duties again on Monday morning last.

Entertainment and Tea.—As was sundounced in The Post of the 13th institute tea and entertainment came off in connection with the C. M. Sabbath school on the 20th inst. and was a success though it was a very stormy evening, which doubtless prevented many being present. The net proceeds amounted to over \$20.

OBIT.—We are sorry to chronicle the death of a little girl of ten years old of Mr. Patterson Boyd, which took place on last Tuesday, 17th inst., after a severe illices of four days. The funeral took place on the 19th, and was attended by a large number of relatives and acquaintances, a number of whom followed the remains to the Moneys may be paid to, and subscriptions of relatives and acquaintances, a number of whom followed the remains to the burying ground near Canton in Hope, where it was interred. The parents and family have the heartfeit sympathy of the people of this vicinity in their sad bereavement.

when the entertainment was being held in the church three or four young lade broke into the place where the tea was held and stole some pound cake that was left after tea had been served. The perpetrators are pretty well known and may be brought to an account yet for their pilfering.

Mr. Watson, we are told, has signified his intention of doing something in the same line. What Gelert wants now is a hotel of two and a constable and them it will stand a chance of having the registry office removed there. They have the right sort of people already.
Surprise Party.—On Tuesday evening a large party of Mindenites went out in sleights to the residence of Mr. Wm.
