LOCAL MATTERS. INDSAY TOWN COUNCIL

PERTY COMMITTEE - DOMINION DAY CELEBRATION-LEASING THE MARKET SQUARE-NO FURTHER INCREASE OF

The council met in the council chamber on Monday evening, June 1st, with Mayor Wallace in the chair and Reeve Walters and Couns. Sinclair, Stewart, Keith, Bryans, Winters, Mallon, Connolly, Crandell and Taylor present. The usual reading of minutes of last meeting was gone through with and business taken up sharp at eight o'clock.

COMMUNICATIONS. From Fred. Pethick and others asking for a crossing on Victoria ave. Referred to the street and bridge committee. From S. Reazin and others asking for a

sidewalk on south side of Kent-st. from Victoria-ave. to Albert st. From Jas. Deane and others asking the council to grant a lease of ninety feet on

Kent-st. of town property to be used for manufacturing purposes to Thes. Fee. From Hugh Murray regarding the purchase of lots 4 and 5, Queen's square re-rerve.—Received, and the town solicitor authorized to prepare the necessary

From J. Parkins, captain of the fire bri-From J. Parkins, captain of the fire brigade, recommending that a chief engineer for the Lindsay fire brigade should be appointed and suggesting that John Calvert be appointed to the position...On motion of Coun. Winters, seconded by Coun. Sinclair, this recommendation was adopted and the appointment made.

TOWN PROPERTY. Coun. WINTERS, chairman of the town Coun. WINTERS, chairman of the town property committee, read a report referring to the matter of the proposed fence to be built around the market square. The report stated that tenders had been advertised for and three tenders put in as follows for two different kinds of fence: Ben. Cook, 75c. and 80c. per foot; J.McWilliams, 75c. and 62c. per foot; James Blain, 71kc. and 68c. per foot. In reference to the request from ratepayers to have the house in the agricultural grounds fixed up and a caretaker placed therein it was stated that the building was useless. The committee did not recommend that trees should be planted around the market square as the season was now too far advanced to admit of them taking root with any certainty. of them taking root with any certainty.— The report was on motion adopted.

FINANCE REPORT.

Coun. TAYLOR read the report of the finance committee. The payment of a number of accounts was recommended. One or two other matters were referred to, including the question of an offer from Mr. M. Dean to prepare and publish a new map of the town, and a request from Mr. B. F. Jewett, collector, for an increase of salary on account of the time for the collection of taxes having been repeatedly extended.—
The report was received and adopted.

Coun. Taylor, in his capacity as chairman of the committee, read a statement of town's receipts and expenditures from the first of January last up to date, and explained that the system of making a monthly statement had been inaugurated by Col. Deacon when chairman of the committee and it was desirable that the system should to kept up. FINANCE REPORT.

AN EAST WARD BELL. Coun. Malion spoke to the question of a bell for the east ward, and said that the interests of the ward should be considered. If the council would not give them a bell then the ratepayers of the ward would buy one for themselves.

Coun. Kerre said that the probable cost of the bell would be about \$70 and the cost of putting it up about \$30 additional. The master was left over.

CELEBRATION OF DOMINION DAY, It was moved Coun. CRANDELL, second-by Coun. KEITH, that the council make grant of \$50 towards the funds proposed be spent in celebrating Dominion day

the market square and make it attractive than to use it for manufacturing purposes. He had met men who had told him to pay no attention to the fact of their names being on the petition to lease the land. Mr. Fee owned property just as well situated and could use it. The town property committee had already decided to not grant the prayer of the petition and the council should not go back on the committee.

Couns. MALLON and CRANDELL took the floor and spoke in favor of their views, and Mr. FEE addressed the council for some time and reterred to Reeve Walters as an

old obstructionist.

The Mayor called Mr. Fee to order.

Prove Walters replied and there was

some vely cross-firing.

Coun. ConnoLLY pointed out that the property in question was promised to the that the council could not touch it.

The proposition to rent the property was

THE EAST WARD AGAIN. Coun. MALLON read a resolution to the effect that the chairman of the fire and water committee should at once buy and put up a 2' 1-lb. bell in the east ward, and that the be'l be put up by tender. The resolution was seconded and carried. NO INCREASE OF SALARY.

A by-law amending the rules of the council and a by-law to increase the salary of the assistant-constable were read on motion of Coun. Crandell, Coun. Mallon motion of Coun. Crandell, Coun. Mallon seconding the resolution. The council went into con nittee and the by-laws were read over. A clause was added to the rules of council that the sittings of the council do not extend later than ten o'clock. The salar, of the assistant constable was proposed to be raised to \$5') per year. The by-laws were then put through the usual routine. On a vote being taken on the third reading the by-law to increase the assistant constable's salary was declared lost. When the committee rose Coun. Connolly moved that the by-law be referred back to the committee of the whole to be re-considered. Coun. Stewart said that he had made enquiry and found that the assistant-constable was quite as well paid as in other places. Coun.Connolly gave his views on the matter at length. Coun. Mallon made some more remarks, Coun. Mallon made some more remarks, and called up Couns. Stewart and Keith and called up Couns. Stewart and Keith, and there were some amusing passages. Coun. Stewart spoke briefly and clearly on the point and gave a reasonable view of the matter. The resolution was lost on a division, only Corns. Connolly and Mallon voting for it. Coun. Ma'lon got up and said he was mighty zorry for the town and the council and left the room.

The rouncil then adjourned until Monday night of next week.

COMMERCIAL NEWS.

OFFICE OF THE CANADIAN POST. } LINDSAY, June 4th, 1885.

Business and Produce. There has been very little activity in the local market during the week, only a fair quantity of grain coming in. There have been some changes in the prices for produce, particularly in butter and eggs. Butter has dropped—for some unexplained reason—down to 10c, and is now quoted at from 10c to 11c per lb. Eggs are freely offered at 10c. The weol season is just beginning, and prices have materially advanced during the week, and new stand at from 17e to 19c, a very fair price indeed. in fact two cents higher than last season's prices. Other quotations for produce are given in our list below.

American Crop Report.—Stermy Pres-pects. Reports covering every wheat-producing county in Ohio, Michigan, Indiana, Illi-nois, Kentucky, Tennessee, Missouri, Kansas, Nebraska, Iowa, Wisconsin, Minnesota, Dakota and Pacific Coast, indicate that the gloomiest views advanced concerning the winter wheat outlook for 1895 must be accepted as most accurate. The absolute uniformity of the returns indicates that the outlook for winter sown wheat this year is the worst in ten years. wheat this year is the worst in ten years. Under the most favoring conditions the total winter and spring wheat yield will fall considerably under the short crop of 1861, when the total product was 380,(:),000 bushels. With the exception of Michigan, Oregon and Washington Territory on the far western slope, the causes leading to the decreased output of winter wheat are almost identical. In Ohio, Indiana, Illinois, Kansas and Misseuri the ground was bare of snow during severely cold wasther at the close of winter, and was followed by dry cold winds. There was size a decreased acreage, owing to low prices prevalent for the cop of 1864. In California the decreased acreage was accompanied by a severe drouth, which has tended to almost rain the young cop. Oregon and

on condition that the kretelkespers and merchants supplement the graat with other funds, and that Reeve Walters and Couns. Bryans, Sinclair, Keith and Mallon be a committee to represent the council on the general celebration committee.

Reve Walters said that he could not vote for the resolution unless it was understood that the sports took place on the agricultural grounds.

Coun. Stewart said that the grant should not be given unless it was understood that the sports were held in the agricultural grounds and that none but amateurs should be allowed to compete. We wanted to encourage our young men, not to bring in a few dead beat professionals to nick up the prizes.

Coun. Crannell, stood out for his resolution, but admitted that rather than not get the grant that the suggestions made by Coun. Stewart should be added to the resolution was so amended and carried.

LEASING THE MARKET SQUARE.

Coun. Crannell, got up and referred for the petition to lesse to Thos. Fee a part of the market square to be used for manufacturing purposes, and moved that the space asked for should be leased for ten years at a rental of 75c. per foot—852.7) for the petition to lesse to Thos. Fee a part of the market square to be used for manufacturing purposes, and moved that the space asked for. He argued the case for some time and said he was in favor of granting the petition. Coun. Coanolly pointed out that Mr. Fee did not agree of the crop of 1894. Kentucky will not exceed 30 per cent. of the vice of the state will be about 45 per cent. of last year. The yield of the state will be about 45 per cent. of last year. The yield of the crop of 1894. Kentucky will not exc

The Montreal Horse Market. There has been a good active demand for desirable carriage and working horses, which are very scarce owing to farmers being busy at their farms and not sending their horses in, which keeps prices firm. Agood many export buyers arrived Monday. Sales reported at the horse exchange were: One horse at \$250; one horse at \$225; one pair at \$350; one horse at \$120; one at \$80; and one at \$164.

British Live Stock Trade. The British cattle markets have preserv ed a steady tone during the past week, and have not shown any change of important character. The first shipments from lontreal have arrived and met a fair market at about the prices last quoted. Receipts of cattle from Canada and the United States have been heavy, but the supplies from other sources have been light, which ac unts for the steadiness of the markets. Our special cables to-day, says the Montreal Gazette, report a steady feeling in the trade, with a fair demand. At Liverpool to-day prime Canadian steers were sold at 12c. Fair to choice grades were quoted at 12½c; poor to medium at 12½c, and inferior and bulls at 9½c @ 11c. These quotations are calculated at 430 in the £. Dressed beef in Liverpool is cabled lower at 5d, against 5½d a week ago.

Montreal Live Stock Market. The exports of cattle from Montreal this season to date are 9.094 head—an increase of 373 head compared with last year, and a decrease of 492 compared with 1883. Cattle freights have remained steady, with latest engagements at 60s per head. There has been an active demand for shipping cattle, and the market has ruled stronger. an advance of te per lb. having been established. Shippers have been anxious buyers, and the offerings were well held. As high as 6½c per lb. live weight was paid for an extra choice lot, but 6c was the general top figure. We hear of sales of over 3() head at 5c to 6c per lb. live weight as to quality. Last year at this dats good to choice shipping cattle were selling at 5½c to 6c. Messrs. R. Craig & Son, of Brampton, Ont., are shipping 124 head of extra fine cattle, averaging 1,400 lbs. each, by the Canadian. Export sheep are quoted at 4c per lb., live weight. Live hogs were in moderate supply, and steady at 5½ to 5½c per lb. Butchers' cattle at the Point were slow. At Viger market Monday there was a moderate supply of cattle, with a good active demand. The receipts were 250 head, and prices were firm at 4½ to 5c per lb., live weight, for good to choice steers and heifers. Lambs were in good demand at higher prices, selling at 34.50 to 35.50 each, as to quality. Receipts of spring lambs were fair, there being 80 head offered, which sold well at higher prices, choice fetching 34.50 each and common \$3.50. Receipts of calves were heavier, there being 300 head on the market. Prices, however, were firm under a fair demand. Choice sold at \$6, while inferior to fair went at \$2 to \$4 each. There were 56 fat hogs offered, which sold at 5½ per 1() lbs. buyers, and the offerings were well held.

TEMPERANCE ENTERTAINMENT.-On Friday evening, the 29th May, the good friends of Victoria Road temperance association gave a very successful temperance entertainment in the Long Point school house. The duties of chairman were ably performed by Mr. John Cunning ham, our esteemed postmaster. We must say that the young people of Victoria Road deserve credit for the manner in which they rendered credit for the manner in which they rendered the program of the evening. We cannot speak too highly of them, for they really deserve all the praise that can be given them, and we also trust that it will not be long before they again entertain us with just such another program, for it was very fine. The program included singing by the choir in capital style; a recitation by Miss Florence Thompson; organ and violin duett by Miss Shields and Mr. Wm. Shields; a song by Mr. Wm. Robinson, "The old house at home:" a dialogue, "Ralph Celeman's Reformation," was next given by Mr. Jas. Thompson, Mr. Putland, Mr. Wm. Shields, Mr. Sergant and Miss Shields, Miss F. Thompson and Miss Ida Shields; singing by the choir, "Hurrah for prohibition." Then came a song by Mr. Putland, "The wonderful musician." Next came a speech from Mr. Robinson, who came forward and gave an excellent temperance address. Would that there were more temperance men like Mr. Robinson. A song was given by Mr. Putland entitled "Miss Fogarty's Christmas cake." Mr. Putland is a very sweet singer. Organ and violin duett by Miss Shields and Mr. Wm. Shields. Next was a song by Miss Ida Shielda, "Father's a drunkard." A duett, "Carry me back." by Miss Shields and Mr. Putland. Singing by the choir, "We'll crown them with rosea." A few moments was next given for signing the piedge. A vote of thanks was tendered to Mr. Haygarth for the use of his organ and also a vote of thanks was tendered to Mr. Haygarth for the use of his organ and also a vote of thanks was tendered to Mr. Haygarth for the use of his organ and also a vote of thanks was tendered to the Wild and Mr. Putland entitled "What are the wild waves saying." The meeting was brought to a close by singing the national anthem, after which we all retired to our homes well pleased with the evening's entertainment.

—Harper's for June is a capital number. The list of contents is varied and entertaining as usual. "Ladies Day at the Ranch," is a lively description of Western life and scenery; "A wild goose chase" is devoted to Jutland; and with "Santa Fe de Bogota" and "Knoxville in the olden time constitute four copiously illustrated papers. The short stories, the serials and the poems are up to the high standard of the magazine; the Easy Chair is delightful as usual, and the other editorial departments are of the customary excellence. For sale at the bookstores.

The ninth number of "The Canadian Pictorial and Illustrated War News" is before us. It contains the following illustrations: In the skirmish line at Batoche (from a sketch by Mr. E. W. Morrison); The 65th Battalion (Mount Royal Rifles) at Port Arthur (from a photograph by Cooke); Lieut.-Col. Gray. M. P. P., commanding the Toronto Field Battery (from a photograph by Hunter & Cc.); A Zareba in the Northwest (from diagram and description by the Globe's correspondent); Artillery shelling the Rebels at Fish Creek (from a sketch by Mr. E. W. Morrison). There is also a very fine graphic two-page supplement, entitled, "The Bayonet Charge at Batoche," shewing the Midland companies. The paper sells at 15 cents per copy, obtainable from local booksellers and from the office of publication.

local booksellers and from the office of publication.

—In pictorial and literary features the June Century is not behind recent issues in timeliness and general interest. A finer portrait than that of Sir John Herschel on the frontispiece has rarely been printed in The Century. Two other full-page portraits of William, the father, and Caroline, the sister of Sir John, accompany Professor Holden's authoritative paper on "The Ihree Herschels." The paper en "Orchids." by Mrs. Sophie Bledsoe Herrick, is profusely illustrated by the author of the paper, who conveys in a popular way much interesting information regarding this remarkable plant. Mr. Howell's "Rise of Silas Lapham" grows absorbingly interesting as a crisis arises at the same time in the love affairs of the daughter and in the prosperity of Lapham, who tries speculation, with the usual result. The war papers centinue of absorbing interest. The leading contribution in this number describes the terrible battle at Gaine's Mill. and is by Gen. D. H. Hill; Gen. Fitz-John Porter gives the account from the northern side of the same terrible battle: Gen. Imboden tells about Stonewall Jackson in the Shenandoah; and there are other valuable war articles. There are in addition Howell's "Florentine Mosaic;" Smalley's "New Orleans Exposition;" James's "Bostonians," several poems and full editorial department. For sale at the bookstores.

The Late Col. Kennedy. We take the following extract from the Meth-
