SEASIDE, OR JERSEY FLANNELS.

These are the latest craze among the SEASIDE visiting watering places and summer resorts. These Flannels are knitted and can be fitted to the form like a Jersey cloth, and are especially adapted for Ladies' Costumes, and particularly light-fitting basques, as they are elastic in texture and will stretch to any desired shape.

PARASOLS are a necessary evil and those who go without one will be taxed heavily.

BOATING SHAWLS The season for boating is now here and the club boat house is already occupied by canoe and skiff, awaiting their merry owners to occupy.
