Entertainment to the Methodist Church. A meeting of the young people's association will be held this (Friday) evening, at 8 o'clock sharp, in the lecture room of the Methodist church. An interesting program has been arranged. All are cordially invited.—50-1.

Local Services. The Harry Lindley company, an excellent theatrical combination, opened in Lindsay for three nights this week, playing to fair houses.

The company have always been well received at Lindsay and gave an entertainment at once strictly first-class and thoroughly enjoyable.

"Appy" Arty must come again when the gentle snuffake is thick on the ground and the nose of the currier gets red—very red—in the frosty air and there is not so many attractions before the public.

Local Improvements are going on rapidly and it is most esteemed as a favor to get a carpenter or home-builder to do a job within a week of the time arranged.

Improvement seems to have taken hold of our people and in addition to the large number of houses and residences under way a great deal of work is in hand. Among these, which we have no space to enumerate this week, Mr. John McEwen is enlarging and improving his house on Francis-st.

Citizens who would like to improve the side of a street in front of their place may take a look at the work just completed by Mr. Kyle opposite his house at the head of Kent-st. It is a model job and one sure to be extensively copied by the best residents both as regards appearance and utility.

Our old friend, Mr. Arch. Haggart, who lately removed from Fenelon to Harry Street, returned from his pastoral visitation at Fenelon on Friday last, accompanied by Fathers Kelly and O'Brien.

He arrived there on Friday last, accompanied by Fathers Kelly and O'Brien. He was escorted to the church. The reverend Mr. Kelly, on the part of the people, congratulated his lordship on his restoration to health, and expressed a hope that he would live long to rule over them. On Sunday his lordship administered the sacrament of confirmation to 20 persons. On Monday morning 300 persons were present at the hands of his lordship and Fathers Kelly, McEwen and Kelly. Sugar at People's Prices. Sugar has advanced in the Montreal and New York markets. The advance shows an increased price of one cent per pound. Having bought a large supply of all grades prior to the advance we can offer our customers bargains in sugars. The old cheap prices still rule with us. Two cars two arrive this week. We can recommend our sugars as of the best quality, and we make the price the lowest. Bargains in sugars at A. CAMPBELL'S.—58-2.

Personal. Mr. J. J. Davies of Belleville is in town at present.

Miss Henry of Peterboro is the guest of Miss Deane of Lindsay.

Coming Again—Springless Truss and Supporter.

See Prof. Hotchkiss's Springless Truss and Supporter advertisement in another column of this paper. Go and see him. He deposes the hernia he cannot hold. Will be at the Benson House, Oct. 9, 10 and 11.—53-9.

Sparring Notes. (To the Sporting Editor of The Post.) Sir—I would like to take up a little of your valuable space for the purpose of informing the public in general and rather those who are in the habit of driving on the public roads and farmers in particular that a bicycle has a right to half the road, which the majority seem to be in ignorance of. We will always dismount when a horse is in the way and we will always give a horse a foot, as the woman is not strong enough and the foot is not smart enough to control a frightened horse. But we stick up for our rights and if any man dares to take the road we will take our full half and make him take his half. As we have had considerable trouble so far we hope your many readers will see this and abide by it as they have done in the past.

Base Ball Notes. Peterboro papers now carefully avoid using the phrase "Lindsay duifers."

The Muzwaps of the north ward wallopped the Wide-Awakes of the south ward one day last week.

The Peterboro theory that "two good men make a whole team" has received a violent wrench that may cripple it for life.

It is rather refreshing to know that while the decisions in the recent match were so unfavorable to the Peterboro club, the Lindsay papers do not even claim a victory for the home team had it been otherwise. Modesty after a certain period ceases to become a—"you know what I mean, Jim."

The sporting public who have no doubt been waiting for a match of the kind for some time, will be glad to hear that the Lindsay and Peterboro clubs are to meet on Saturday next. The match will be played at the home of the Lindsay club.
