JANETVILLE.
[Correspondence of The Post.]

OUR entertainment for the Sabbath school on Christmas eve came off very pleasantly, though the gathering was small. The scholars recited some pieces very well and the singing of the small children was very good. Mr. Power, who acted as chairman, gave the parents and children some good advice.

CHANGED.—The meeting of the temperance society is changed to Saturday evening for a while.

WEEK OF PRAYER.—The week of prayer being the first in the year, will be observed here. Meetings will be held for prayer every night in the Methodist church. All are cordially invited.

WEDDING BELLS.—Another union has taken place in the neighborhood. The happy couple are Mr. James Bushell and Miss Stinson, daughter of Mr. Samuel Stinson. We extend our best wishes that they may have a long and happy life.

SMALL-POX is beginning to frighten some of our people as it has got a lodgment at Pontypool.

LAVERY'S SALE still continues Saturday evenings each week. Splendid bargains have been given in ready-made clothing and dry goods in general.

PERSONAL.—Mr. John True, our carriage-maker, is back after having spent a couple of weeks visiting friends in the west....Mr. Mat. Sisson is off on a week's holidays.

NEW BLACKSMITH SHOP.—Our village has a new accession—another blacksmith shop. Mr. William Arthurs opened out on Mr. Wm. Magill's corner. Farmers and all others are invited to call when they want anything in his line. William is a pushing fellow and no doubt will do first-rate.

VICTORIA ROAD.
[Correspondence of The Post.]

A SUCCESSFUL MEETING.—Quite a number of the reformers of North and West Victoria waited on D. J. McIntyre, M.P.P., who was invited to Victoria Road and considerately came to discuss and make himself familiar with the wants and requirements of the northern portion of the constituency of West Victoria. During a pleasant meeting several motions were passed. It was moved by Thomas Thompson, seconded by Alfred Taylor, that this meeting tender its sincere thanks to D. J. McIntyre, M.P.P., for the very practical way in which he has made himself familiar with the wants of the people in the northern townships, and that this meeting believe that the nearest approach to representation by population for which a hard battle has been fought and won already recorded in the history of Canada, is a frequent meeting of the members of parliament and their constituents to interchange ideas regarding the welfare of the country. Moved by R. C. Campbell, seconded by Hector Campbell, that a vote of confidence in the Mowat government be cordially tendered; that we look on the plucky little premier with pride, confidence and respect and hail the return of Hon. C. F. Fraser to Ontario with the provincial victory, the last though not least of the six provincial constitutional victories gained at opportune dates to strengthen confederation and prosper Canada. A vote of thanks was tendered Charles McInnis, an old and well-deserving champion of liberal principles, for the pleasant and able manner in which he performed the duties of chairman of the meeting. Other resolutions having a view to organization were passed. The greatest eagerness for a contest in the north riding prevailed. After the meeting was over all who could stay partook of lunch prepared and neatly gotten up by mine host and hostess of the Johnson house, who are

THE GRIST MILL SOLD.—We understand that Messrs. Paterson and Staples, the latter from Long Point, Fenelon, have purchased the grist mill here. We wish the new firm success, always abreast of the times with choice and well-arranged custom.

SHOOTING MATCH.—Mr. Chirpaw's shooting match was a great success. Quite a number competed successfully.

SOCIAL.—On Christmas eve the members of St. John's church held a social and sale of work in the Orange hall, Cambray. A capital display of fancy work, Christmas cards, etc., was made, which met with ready sale. The evening was enlivened by vocal and instrumental music and a "grab bag" for the children. Altogether a very pleasant time was spent.

LAYTON.
[Correspondence of The Post.]

PERSONAL.—Mr. George Will and Mr. John Burnett left a short time ago for old Scotland, their native place, where they propose spending the winter among their many friends. We wish them a pleasant time and hope they may return in the spring to become citizens with us as they have proved themselves to be intelligent, honest and industrious young men and jolly good fellows to boot.

THE POST AGENCY.—Send in your names to the post-office here for the best local paper printed. Your subscription for THE POST will be promptly forwarded for one dollar.

OBIT.—It is with feelings of sympathy for Mr. and Mrs. Wm. McCully in their sad bereavement that we note the death of their dear and only daughter, aged about seven years. She was followed to her last sleeping place by a very large procession, which shewed the sympathy and respect for the family.

FENELON FALLS.

A BRAKESMAN HURT.—On the afternoon of Thursday, 24th Dec., a brakesman named Herlihey had the first finger of his right hand badly broken and the second and third completely cut off while coupling cars at the station here. He has since been at Reid's hotel under the care of Dr. Wilson, who is doing his best to save the first finger, which he feared would have to be amputated. It is said that the accident was caused by some person speaking to Herlihey and diverting his attention from his work while he had hold of the pin and coupler and the front portion of the train was backing up.—[Gazette.

ACCIDENT.—One day last week a little boy thirteen months old, youngest son of Mr. John Copp of Fenelon, had part of the third finger of his left hand cut off in a bedroom door.

SUDDEN DEATH.—On Monday, December 28th, a daughter of Mr. Thomas English, lot 5, con. 6, Somerville, died in what appeared to be a fainting fit, the second she had had that day. She was about fourteen years of age, but our informant did not know her Christian name and had not heard any cause assigned for her apparently mysterious death.

FATAL ACCIDENT.—On Saturday, Dec. 10th, an eleven year old son of Benjamin Smith of Somerville, was kicked on the head by a horse and his skull was so badly fractured that part of the brain protruded from the wound. The sufferer was attended by Dr. Wilson, who picked several small pieces of bone out of the brain and raised the skull where it was depressed. The patient regained consciousness, but inflammation set in and he died on Saturday, 26th, just a week after the accident occurred.—[Gazette.

LIFFORD.
[Correspondence of The Post.]

REMOVAL.—Mr. John Wetheral, who has had Wm. Johnston's farm leased for a number of years, will remove to a farm in Hope, where in future he intends to reside .....Mr. Johnston, we understand, will remove to his own farm again, where he intends to commence farming operations.

PERSONAL.—Mr. George Wilson, formerly teacher of the brick corner school, has removed to Fenelon Falls to take charge of the school there. Mr. Wilson is a successful and able teacher, and the Fenelon Falls school will prosper under his management.

CHRISTMAS TREE.—The Methodist Sabbath school gave a Christmas tree and entertainment on Thursday evening, 24th December. Notwithstanding the unfavorable state of the roads there was a large attendance, and our commodious temperance hall, in which it was held, was comfortably filled. The program was a good one, reflecting credit on all who took part in it. The singing by the scholars, led by Miss Ella Maguire, who presided at the organ, was well received by the audience; also a dialogue entitled "Buying a sewing machine," given in character by Miss Annie Staples, Miss Eva Dobson, Mr. Thomas E. Staples, George Dobson, J. Dundas and Edward Staples, received well merited applause. A song by Master M. E. Maguire, a little boy of five years, caused much merriment and was heartily encored. The readings and recitations by Messrs. Mills, Atkinson and Staples were highly appreciated. Three songs by the "jolly four," composed of Messrs. Veal, Swain and Wilson, fairly brought down the house each time. The tree, laden with presents of every description and illuminated with wax candles, presented a very beautiful appearance. Rev. R. T. Courtice acted as chairman with his usual ability. The proceedings closed by singing the national anthem, when all returned to their homes, cheered and refreshed in spirit, bearing pleasant memories that will not soon be forgotten. We congratulate the superintendent, Mr. W. T. Maguire, and officers and teachers of the school, who were united in their efforts to make this their first Christmas tree a success.

WILFRID.
[Crushed out last week.]

SCHOOL EXAMINATION.—On the 23rd Dec., our teacher, Mr. Harry Hart, held his annual examination in the school house, followed by a very fine entertainment given by the scholars and some friends of the teacher. The program was large, and the recitations, dialogues and singing gave evidence of careful training, the audience greeting many of the pieces with hearty rounds of applause. After the program was exhausted several of the visitors were called to the platform and expressed their perfect satisfaction with the progress of the school, all agreeing that the entertainment was among the best they ever attended. All that need be said of the teacher is this, that he has taught the school for five years and is engaged for the sixth, and he has more warm friends in the section now than at the close of the first year. About thirty visitors were present at the examination.

A PLEASANT EXCURSION.—On Christmas eve a load of youngsters from this place and Pefferlaw went to Sunderland to the Sunday school entertainment held in the Methodist church. From all accounts they enjoyed themselves. They had a large spring waggon and a four-horse team. "Old Reuble" held the ribbons, which he handled with the grace, dignity and dexterity of a veritable Jehu. To see him as he gathered up the reins, swing his long pliant lash over his prancing leaders as they dashed away from the village would have caused a pang of envy in the heart of the best four-in-hand teamster of the old time stage coach.

CHURCH NOTES.—Rev. Mr. Fallis occupied the pulpit here on Sabbath last. His subject was "Eternal Punishment." He left no doubt upon the minds of his hearers what his opinions were, and he strongly urged upon all the necessity of avoiding that punishment by turning to God with full purpose of heart to serve him the remainder of their days.

PERSONAL.—Mrs. Weller of Welland is spending the holidays with her friends here. She looks remarkably well.....Mr. John A. Torrance of Toronto is visiting in this vicinity.....Mr. Robt. Valentayne is canvassing this section for subscribers for a book which gives the opinions held by the different denominations on the subject of "Eternal punishment." Robert is a good fellow and we wish him success.

CHRISTMAS TREE.—A very fine Christmas tree entertainment was given by Mr. Wm. Barker to a few friends and their families. The tree was beautiful and Santa Claus made his appearance and distributed the presents much to the delight of the children. The guests were all well pleased with the affair.

Junior second.—Annie Driver, Annie Murray, Hugh Grant, Phila Maunder. Senior first.—Nell Ferry, John Murray, Nellie Sharp, Walter Chase. Junior first.—Nellie Driver, Miriam Christian, Ethel Noble, Clarence McLean. J. B. WELDON, teacher.

UPTERGROVE.
[Correspondence of The Post.]

RE ATHERLEY SECTION.—I am not, nor have I been, speaking for the council in this matter. Your Atherley correspondent avoids discussing the question of how their section became so limited in territory, and goes on to claim lot 26, con. 11—a lot that Atherley always had. If that is the chief bone of contention permit me to tell your correspondent that he may rest in peace so far as that lot is concerned, for Atherley already owns it. As to the other lots, none of the owners will leave Uptergrove unless by force, and as they are as close to this school as the Atherley school it is quite unlikely that any such change will occur. I must say that I would sympathize with the Atherley section were it not that their own folly brought about their weakness.

TEA-MEETING.—The Presbyterians had a splendid tea-meeting on the evening of the 28th inst. The good things were all that could be desired. It was a grand success.

BOBCAYGEON.

GOOD SKATING.—Glare ice on the lake is not good for the stages. The Messrs. Teetero skated from Mr. Petrie's mill to the Lindsay wharf in one hour and thirty-five minutes, and did not hurry particulary for they had no idea of timing themselves. The distance is called about twenty-two miles.

INJURED.—A son of Mr. Francis Kelly had a narrow escape from injury on Wednesday. He was leading a horse that was in a rollicking mood. The animal sprang up on its hind legs and in coming down struck the young fellow on the lip, cutting it very badly. Medical assistance was obtained and the cut sewed up.

FARMERS' INSTITUTE.—Farmers throughout the district should not forget to attend the farmers' meeting on Friday and saturday next, 8th and 9th inst. The first session will be held at 1.30 on Friday afternoon. The information that will be exchanged will certainly be of a most valuable character.

ICE-BOATING.—For the last week the ice has been glare as glass and the ice-boaters have been getting great amusement. Few places are so well situated for ice-boating. A run of twenty-two miles can be got on each side, and with a stiff breeze a run can be made in half an hour. Ice-boats are no slouches when there is any wind about. They have been known to make sixty miles an hour. On a cold day it is bracing and exhilerating amusement.

LAID UP.—Mr. George Bick has been laid up, and though at one time seriously ill is now in a fair way to recovery. He was down the lake and after walking in a brisk way for some time became heated. He then got a chance in a sleigh and became chilled with the cold. That night he felt feverish and in getting up for a drink staggered against the door in a faint, and cut his forehead in the fall. The doctor was in attendance for a day or two and some anxiety was felt, but Mr. Bick will be about in a few days.—[Independent.

ONTARIO COUNTY.

ACCIDENT.—As Mr. Peter Wilson was attending his horses the other day a spirited young colt kicked and struck his arm, breaking it below the elbow.

COUNTY CONSTABLE.—At the last session of the county court at Whitby Mr. W. Eakins of Mariposa was appointed on the staff of county constables. This is said by competent judges to be a good appointment and we extend Mr. E. our congratulations.—[Mirror.

REAL ESTATE.—Mr. John Johnston of Pefferlaw has purchased a farm of seventy-five acres on the 12th con. of Brock from Mr. Henry White for the sum of $2,500.

AGAINST IT.—The county poor-house scheme received its last kick, so far as Reach is concerned, at the nominations on Monday last. Every candidate who wished to secure his election found it necessary to state his opposition.—[Port Perry Standard.

DECAMPED.—To most people it will be surprising that Mr. Risdon of Oriental hotel fame has decamped, taking his departure for parts unknown. His life as hotelkeeper has been a failure, and a miserable failure at that, inasmuch as he has left a number in the lurch, including his servant girls.

THRESHING MACHINE ACCIDENT.—We regret to learn that Mr. Thomas Phair, 10th con. of Reach, met with a severe accident on the 23rd December in attempting to get on the horse-power of a threshing machine while it was in motion. His foot slipped and was caught by the bull wheel pinion and so badly crushed and mangled as to require amputation of the great toe at the foot. The injury was so extensive as to cause considerable anxiety as to the possibility of saving the foot, but we are happy to learn that the symptoms are more favorable at present to recovery without the loss of that important limb to locomotion. Mr. Phair has the sympathy of the entire community in his affliction.—[Standard.

"BEN MOORE" DEAD.—The celebrated Clydesdale stallion "Ben Moore," owned by the Messrs. Jeffrey, died one day last week. The beast had been in perfect health and the cause of death is supposed to have been the bursting of a blood vessel while running in the field. He was valued at $3,000. The loss of such a horse will be felt by the community, as he was in great repute.—[Whitby Gazette.

FRANCHISE ACT CLERKS.—Mr. Donald Beaton of Pickering has been appointed clerk under the franchise act for the west riding of Ontario and Mr. John W. Burnham of Port Perry for the south.

STOCK NOTES.—Last week Messrs. John Miller & Sons sold Wesley G. Garlock of Howell, Mich., twenty-eight Shropshire sheep, which were shipped to their destination on Saturday last.....Mr. William Major of Whitevale brought to the village on Tuesday several very fine Shropshires for shipment to Michigan, making forty-seven head sold to different parties by him during this year. Mr. Garlock of Howell, Michigan, was the purchaser.....Mr. Monkhouse, reeve of Pickering, has a sucking colt, for which he was recently offered the sum of $500 cash, but he refused it. It is from Manfred and a Clyde mare. Speaking of Manfred reminds us that Graham Bros. of Claremont have received a number of offers from parties in Scotland who desire to have the horse returned to that country. The latest offer for him is a thousand guineas.
