

GOLDEN FLEECE.

314

It's a goodly number, unless the weather clears up I think it doubtful if we have that many customers for NEW BONNETS tomorrow.

314

Dresses out of our new stock would make you feel that we had better make out a new list. Still we ask you and entreat you to come - come all to gether if you can not come in sections, and we will see to it that you are on the list for the very CHOICEST DESIGNS.

314

New customers have been in to see us during the last week to express their admiration of our handsomely furnished SHOW ROOMS, but before leaving they have allowed their names to be put on the list for one of our LATEST AMERICAN HATS or BONNETS.

314

Is a number with a charm, - at least we think we could charm that number with the lovely SATENS, CANVAS CLOTHS, GINGHAMS, PRINTS, etc. that are so lovely this season that any who are on our list for them will be most fortunate.

314

Brides are not expected immediately after Lent, but if they should come and ask to have their husband's names put on our list for a NEW SUIT we are prepared for them.

Board of Health.

A meeting of the board of health was held on Thursday evening of last week, Messrs. Col. Deacon, J. D. Flavell, P. Keith, Cahill and Crandell being present. J. A. Barrow addressed the board on the condition of the main sewer, and further on the board decided to employ Mr. Madcock, C. K., to inspect the main sewer, take levels and report to the board as to the capability of the sewer to carry off matter and sewerage, and to report to the board as to the condition of the road and adjacent property, and to report as to the quality of water in different parts of the town, and Col. Deacon addressed the board on the same subject.

River News.

Work was commenced Wednesday to haul the gates of the lock in readiness for opening of navigation.

The water in the river is reported to be higher than for some time, a deal of water going to waste over the dam.
