PURCHASES IN VIEW OF ADVANCING PRICES.

The recent advance of ten to fifteen per cent. in Cotton Goods, and a still greater advance in all classes of Imported Woolen Goods, is only what has been expected. Goods must be higher. Notwithstanding this we have determined to sell so long as our stock lasts—everything at Old Prices.

We are now showing a magnificent assortment of Dress Goods in every quality. Low-priced Goods that have usually sold at 20 and 30c per yard we have now at 10 and 20c, in every shade and color.

Mantles, Jackets, and Mantle Goods in the new Curl Goods in great variety, imported direct this season. Mantles to order made equal to the best city work, a perfect fit being guaranteed in every instance. When cloth is purchased from us no charge is made for cutting.

Everything marked in Plain Figures at lowest Cash Prices. ONE PRICE and only one to everyone, is our strict rule.

In Great Variety.
Boots and shoes in great variety of styles, sizes and qualities. Our new assortment is so varied that we can please all in quality, shape and price. T. O. MARLETT, Red Front shoe store.

Furniture in Inventors.
Furniture Office is a centre of inventive genius. Mr. J. C. Crane has patented an excellent door lock; Mr. Jos. Reichelt offers an improved cabinet for wrapping papers and bags; Mr. C. Stanford a machine for measuring cloth in the web. The patterns for this machine and a working full-sized model were made by Mr. L. M. Lawrence of Lindsay for the inventor and patented. Other inventions of this class have made inventions of merit.

Exhibition Notes.
The Fall show, at Campbell show a fine lot of Bull Mastiffs, which has already won a successful prize winner at our Canadian Fair.

Washing of the Colled-Ange: The Fall show, as we pointed this class of cattle is attracting the lion's share of attention. One of the most attractive exhibits is that of the Island stock farm, Hobeysburg, Mr. Lloyd objects the distinction of being the pioneer in the introduction of this grand class of cattle. He shows at this exhibition the imported bull, King of Tramps, of Fair of Aberdeen, which was imported from King of Tramps is four years old. He was first in the class for aged bulls at Toronto and London last year, and his price was \$1,500. The imported cow, Ontario, was first in the class for aged cows at Toronto and London last year, and her price was \$1,500. Royal Baking Powder.

ROYAL BAKING POWDER Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. Now everywhere this genuine baking powder and can not be got except in this way. Beware of cheap imitations. If the other plays to be good, let them get on at the same time. It is a common mistake to suppose that a very excellent powder is a very successful one.

The "Unity of the Empire" - Visit of Rev. Dr. Kane and Mr. Smith.
By an announcement read in the town churches Sunday all in favor of the unity of the empire were invited to attend a meeting in the council chamber Monday evening. Just at the appointed time a violent wind and rain storm set in for a spell and interfered with the attendance. It turned out that the object of the meeting was to appoint a reception committee for Rev. Dr. Kane and Mr. George Hill Smith, the delegates from Belfast now on a tour through Ontario. Mr. A. H. D. Smith was appointed chairman. A reception committee was also appointed, and in its completed state is as follows: Messrs. A. Hudspeth, H. Dundas, M. P. J. L. Winters, K. D. Orde, J. W. Wallace, S. Hughes, H. Hazen, J. H. Knight, H. Raitford, J. P. F. McNeill, M. T. P. Bell, Jas. Galt, Mrs. Couler, McAlpine and Burrows, J. McGuire, J. D. Flavelle, F. H. Moore, Joseph Cooper, H. McNeill, J. H. Stephenson, S. Lewis, H. Leary, H. Walters, H. S. Martin, J. McWilliams, Wm. White, E. Woods, Ivey, S. W. Galt, James, Rev. M. L. Pearson, Rev. Dr. McTavish and Mr. J. A. Barron. Messrs. J. H. Dundas, A. Hudspeth, J. D. Flavelle, J. Dobson and H. Ryans were appointed a finance committee. The names of Messrs. D. J. McIntyre, C. D. Barron and some others had been put on the reception committee but Mr. McIntyre and Mr. Barron desired not to act in that capacity as in their views of the home rule question they favored Mr. Dundas's policy, to which they understood the delegates were opposed, though it would be very interesting and desirable to have a different view of the matter. The meeting will take place to night in the opera house. All are cordially invited. Free tickets of admission can be obtained from Mr. A. Hudspeth, Dundas and other members of the committee. Seats free will be reserved for ladies.
