A Fine Display and a Large Turn Out.

[From the Fenelon Falls Gazette.]

The first somuel fall show under the sus-

pices of the Fenelon Falls agricultural and

driving park association was held in their

grounds and hall last Tuesday, and not

only fully realized but far exceeded the

most sanguine expectations of all who were

instrumental in originating it; indeed,

some enthusiastic individuals have been

heard to declare that it was better than

the Lindsay Central-but they were very

enthusiastic indeed. There can be no doubt.

however, that it was by very many degrees

the best exhibition of the kind ever held in

this village; and its success, in one particu-

ler, was a positive drawback, as the exhib-

its in the indoor department were so num-

erous that the judges did not finish their

the work of removal was commenced.

they would show their wisdom by waiting

until the hall was less densely crowded.

The show of live stock-particularly of

horses, cattle and poultry-was exceeding-

ly creditable, se regarde both number and

quality; and plenty of animals and birds

that did not get prizes were worthy of

them, and would have got them if the com-

petitors that were a little better had been

His influence and popularity brought in many new members and at considerable expense and inconvenience to himself, he with our vice-president, Mr. Barker, canvassed the town of Orillia with what result can be seen our major like. canvassed the town of Orlina with what result can be seen on our prize list.
