

Ayer's Preparations.

Perfect Hair

Indicates a natural and healthy condition of the scalp, and of the glands through which nourishment is obtained. When, in the absence of age and disease, the hair becomes weak, thin, and gray, Ayer's Hair Vigor will strengthen it, restore its original color, promote its rapid and vigorous growth, and impart to it the lustre and freshness of youth.

I have used Ayer's Hair Vigor for a long time, and am convinced of its value. When I was 17 years of age my hair began to turn gray. I commenced using the Vigor, and was surprised at the good effect it produced. Not only restored the color to my hair, but so stimulated its growth that I have now more hair than ever before.

Ayer's Hair Vigor, Sold by all Druggists and Perfumers.

IF YOU ARE SUFFERING FROM debility and loss of appetite; if your stomach is out of order, or your mind confused; take Ayer's Sarsaparilla. This medicine will restore physical force and elasticity to the system, more surely and speedily than any tonic yet discovered.

For six months I suffered from liver and stomach troubles. My food did not nourish me, and I became weak and very much emaciated. I took six bottles of Ayer's Sarsaparilla, and was cured.

Ayer's Sarsaparilla, Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by Druggists. Price 25¢ per bottle, \$5 per dozen.

LOCAL NEWS-LETTERS

MR. G. T. WEST MET WITH A SERIOUS ACCIDENT.

MR. G. T. WEST met with a serious accident on Tuesday evening in having his shoulder dislocated and it is feared one of the bones fractured. [Echo.]

BOLNOVER.

CHRISTMAS SOIREE.—Come and combine pleasure with the duty of doing a good act by attending our soiree and entertainment on Christmas eve. The usual program of addresses from several speakers, excellent singing, etc., is arranged for.

PORT HOPE.

ACCIDENT.—On the 15th of October, while driving a team home, Mr. Andrew McMillen of Hope was thrown from his wagon. One of the wheels passed over his right arm near the shoulder. A blood vessel or artery was broken, and a bone was broken. The fracture of the bone was set, but the arm began to swell and became full of blood. This was hoped would disappear. It did not, and in January the arm was found to be the patient would die if nothing further was done. His arm was therefore amputated last Monday evening, and the patient is now recovering. [Times.]

NORLAND.

SCHOOL ENTERTAINMENT.—A very successful entertainment was given here on Friday evening in Miss Foot's school, the proceeds to be devoted to the purchase of prize-books. The performers were mostly pupils of the school, and the entertainment was conducted solely under her management and reflected a very large amount of credit on this young lady's abilities. Miss Foot, though only a year in our school, has made a very creditable impression by her genial and amiable disposition has gained the esteem of the school. Much to the regret of the community she is leaving at the end of the year. The proceeds of the concert amounted to \$20.

BRUNSWICK.

MUNICIPAL MATTERS.—Mr. John Vasey, who is filling the vacancy in the council previously occupied by the late Mr. Johnston, intends, we are glad to hear, to come out for the ensuing year. During Mr. Vasey's short career as councillor a large amount of business has been placed in his hands, which he has carried out in a very satisfactory manner. He possesses the integrity and energy essential to success, and if the ratepayers of this municipality all vote conscientiously then we can safely say John will receive a vote from each and every one that will place him at the head for another year.

SPORTING NOTES.

A few sportsmen have been after game in this section for a few days, but proved as hunters very unfortunate. They noticed a fox, and in contact with the saw, by which he came very near losing his two center fingers above the second joint. [Standard.]

THE CHINA APPEAL CASE.

In the China appeal case, in the China appeal case the effect of the decision of Mr. Justice Armour is this: That police magistrates are appointed for parts of counties—that is, other than for whole counties, a city or town—have no jurisdiction in such cases for offences against the Canada temperance act. The Chronicle makes matters when it says the effect is the local government has no authority to appoint police magistrates for parts of counties. It is also wrong in saying "police magistrates must have jurisdiction over the whole county, or else only in the municipality for which they are appointed." The local government has power to make appointments for parts of counties, but because such magistrates are not of those mentioned in the Scott act they have not power to try cases under it. N. F. Paterson, Q.C., of this place was China's counsel, and he is accorded praise without stint for the success with which he attended his efforts in this direction. [Standard.]

OAKWOOD.

CORRECTIONS.—In items from here in THE POST of the 26th inst. some misprints occurred. Revs. Wilson and Marvin held the revival meetings here instead of Walsh and Marvin as printed; and Mrs. Demaris is at W. H. Webster's instead of W. H. Welch's.

RECOVERED.

Miss Maggie Cameron has quite recovered after her long illness and accompanied her father to Toronto on Friday, 26th inst., for a few days' visit.

DEPART.

Mr. R. L. Richardson, who was so badly hurt last spring, died on Thursday morning, 16th inst.

ILLNESS.

Mrs. Patterson is well on her feet, but Mrs. R. Sheridan does not improve yet. Mrs. Wm. Wallace has been ill for some time, but is now recovering.

PERSONAL.

After a month's visit to her father, Mr. W. A. Silverwood, Mrs. D. M. Grant has returned to Barrie, taking her sister Annie with her for a short time.

THE CONVENTION'S CANDIDATE.

There is some report that Mr. "Swipes" or "The Heroic Patriot" was not yet on a level to be considered for a nomination in the coming year. It would have been great news if a vote had been cast for him.

The fact that Mr. Cross was nominated by Mr. Robert of Lindsay is regarded as having a good effect on the community, indicating that there will be several big successes in the platform—if there is one. (Crowded out last week.)

GAMBRIDGE.

DISTRESSING ACCIDENT.—A very distressing accident occurred on Thursday night last to Mr. Martin Whalen, who lives near here. While dressing a beef the least bit of carelessness caused a piece of meat to pass through Mr. Whalen's left eye. The unfortunate man was on Friday sent to Toronto and was returned to Beverton for treatment by Dr. Grant. Mr. Whalen is an industrious and much respected young man, and the deepest sorrow is felt for him in the great trouble that has overtaken him.

CAMBRY.

SCHOOL REPORT.—The following is the standing of the pupils of the junior department of s. s. No. 1, Fensels for the month of November. Their names are inserted in order of merit. Second, Maggie Sinclair; Louis Jackson, Berdie Berksley, Lydia Cienfuegos, Sr. part second, Susie Douglas, Martha Clark, Susie Williamson, Jas. Cochrane, Jr. part second, Mary Sims, Weston Tompkins, Sadie Burton, Thomas Marshall. First tablet, Ida Douglas, Ida Jackson, Athol Peir, Jessie Jackson. Second tablet, Albert Flanigan, Lillian Flanigan, Harcourt Hancock, George Robertson, Third tablet, Ivan Anderson, George Burton, Willie Shier, Sadie Lewis.

SARAH E. BRADEN, teacher.

MOUNT PLEASANT.

WELCOME.—Within the last two weeks we have had three families move to our village to become citizens. The first was Mr. W. Rosenberg and family of Toronto, the second was Mrs. Playfair and her son Robert of Dunfermline, and the third was Mr. John Sandler of Bethany, all of whom we welcome to our midst and wish them health and prosperity while here.

PRESENTS.

The wives of Mr. W. Smith and of Mr. Valentine Brown have each within the last two weeks presented their respective husbands with a young son, hence, it will be seen that our village is rapidly increasing in population, of which we are glad, so for the past five or six years we have had quite an exodus.

EXAMINATION.

A public school examination will be held in our school on Tuesday, the 21st inst., commencing at 1 p.m. All parents and pupils of education are cordially invited to be present and see what the youth can do.

BURYING GREEN.

A SUCCESSFUL DANCE.—The local sportsmen in this place will have to take a back seat in place of Messrs. John Howie and Charles Lettmore occupy the carpet. These two nimble recently returned from the last hunting expedition they made north with the finest load of deer ever seen in this place. During the time they were out their trusty repeaters brought down and skinned a dozen of which were brought home, and among them was a very large deer. They state they could have secured a good many more but for the time spent in setting the snare traps for when they could be reached with a team.

REMOVALS.

Mr. Stinson, the energetic teacher in s. s. No. 7, Verulam, who has ably conducted the school for the last two years, has decided to remove to Jamestown. There has been a marked improvement in s. s. No. 10, Somerville, since Miss M. Sharpe took charge of the school and the trustees and pupils regret that she is about to leave the position so ably filled to accept a similar situation in Durham county.

CAVAN.

SKIFFEL OPERATION.—A cow belonging to Mr. Martin Parker, of Baillesboro', got at a pea stack the other day and gorged herself with peas and chaff, until a few hours she was unable to breathe; the peas having fermented and distended the stomach. Dr. Fisher was called and proceeded to puncture the cow's stomach. This allowed the gas to escape, and the animal appeared much better. In a few hours he was again called, when he found the cow in a dying condition. While examining the cow he fell on the edge of coal and was severely injured. It was fortunate the driver escaped unhurt.

SICKNESS.

Mrs. R. Ramsay is still suffering from an attack of bronchitis, with which she has been ill for about two weeks. She drew out over two baskets of fermented peas, chaff, and straw. He then sewed up the wound, and at present the cow is almost as well as ever she was, though still a little weak. Considerable credit is due Dr. Fisher's skill and promptitude in this difficult operation. [Port Hope Times.]

FOOT CRUSHER.

Last Saturday morning Robt. Dunlop, while mending a horse-drawn cart at his brother's place, Cavan, had the misfortune to get his right foot caught in the gearing. The flesh was torn from the bottom, and the bones were crushed badly.

FENELON FALLS.

ACCIDENT.—Last Wednesday while Mr. S. Swanton was standing with his right foot on the edge of a coal stack, he was being loaded with wood, a stick thrown by one of the men struck his forehead, which was badly crushed, though fortunately the bones were not much injured.

SERIOUS ACCIDENT.

On Wednesday last Julius Fisk, the eldest son of Mr. J. B. Fisk of Fenelon, met with a very serious accident, the results of which are still very doubtful. He was working at the mill of Archer's shanty, in the township of Longford, and by some means not caught by a rolling log, which struck him on the back of the head, and he fell down, and it is feared, badly injured his spine. He was brought home and placed under the care of Dr. A. Wilson, who cannot yet give a decided opinion as to his chances of recovery.

STUNDED DEATH.

Mr. E. F. Fensel, aged 72 years, was found lying in a senseless on his bed about noon last Monday, and died at 2 o'clock next morning. Since the death of his sister-in-law, Mrs. Lydia Day, he has lived alone, but he was looked after by the family of his nephew, Mr. Nathan Day, some of whom saw him on Monday evening, when he did not complain of anything being wrong with him, but some time later, while dressing, he was stricken, it is believed with paralysis, and did not speak afterwards. [Gazette.]

CENTRE ELDON.

WORK AGAIN.—Boddy your Centre Eldon correspondent has awoke from his long slumber. Faith, Mr. Editor, I have no doubt but that some of our readers thought that I was dead entirely, but such is not the case. Indeed I intend to live as long as I can see any other body living, and read your reliable paper, each week.

PULPIT NOTES.

On Sabbath last the Rev. John Gillie of Eldon Kirk preached at Eldon Station in the morning at 11 o'clock an excellent sermon in English, making his text from the 14th chapter of the 8th chapter of Jeremiah and the 22d verse. Mr. McDonald is a preacher of his congregation may well be proud of.

TEACHERS' ASSOCIATION.

Our trustees have engaged Mr. E. Fensel of Fenelon as their teacher for the coming year at a salary of \$500 per annum. We heartily congratulate the trustees on the selection. Mr. Fensel is a young man of excellent talents, and a native of Fenelon, the present teacher, is engaged for the coming year as teacher of the Marley public school at a salary of \$300 a year. We congratulate him on his selection.
