THE SCIENCE OF LIFE. KNOW YOURSELF.

A Great Medical Work on NERVOUS, Exhausted Vitality, Nervous and Physical Failure, Premature Decline, Errors of Youth, and the various physical and mental derangements of the system. A book for every man, young, middle-aged and old. It contains all the latest scientific facts on the subject, each one of which is invaluable. It is written by the author, whose experience has led him to the most successful treatment of the disease. The book is written in plain, simple, and easily understood language, and is the only one of its kind. It is the result of a long and successful career in the treatment of the disease. It is the only one of its kind. It is the result of a long and successful career in the treatment of the disease.

The Science of Life is worth more to the young and middle-aged men of this generation than all the gold mines of California and the silver mines of Nevada combined. It is the science of life, and it is the science of life. It is the science of life, and it is the science of life.
