-Early Friday morning a freight train crashed into the fear end of the Chicago express, near Lectonia, Ohio, the engineer being instantly killed, one passenger fatal-ly injured and seven others more or less

ly injured and seven others more or less seriously injured.

—The Michigan legislature hasby a majority of one refused to revive the penalty of hanging for murder, though Michigan ranks next to Tenne as the most murderous state in the union. Criminal lawyers—not lawyers criminal—and detectives know well that when one jures holds our against all the other jures his generally because he has "been there himself."

-A train on the Iron Mountain railway was detailed at Billiard, Mo., last Monday by a braken rail. The ladles' coach and Fulfman sleeper turned over, badly damaging both care. Mrs. Honeycut held s child in her arms when the jolt occurred. The child was killed and she was badly injured, as were several other par The train was moving rapidly and the

coaches turned over and over. -In the house of commons on Monday Mr. Belfour, chief secretary for Ireland, moved the first reading of the Irish criminal law amendment bill. He spoke for some time in support of the bill. Mr. Dillon made a spirited and earnest reply. Mr. Parsell considers the Irish criminal law amendment bill one of the strongest coercits. cive measures ever proposed in parliament. The bill, he says, even creates new offen-

-Plymouth church, of which Mr. Henry Ward Beecher was a paster from 1847 to the date of his death, here 2,500 members. The church has a seating capacity of 2,800 and the total of its pew rents has averaged about \$60,000 annually since 1873. Its organ cost \$22,000. In some years the mem-oers have given as high as \$300,000 for charitable purposes. The man who succeeds Mr. Beecher in charge of this great church

will have his hands full. -Mr. Asron True was in the woods on lot 1, con. 8, Clarke, drawing wood, he having with him a big black dog, part Collie and part Newfoundland, when they came across a wolf. The dog tackled the animal and Mr. Wolf jumped on him, but the dog, which is a powerful brute, weighing about a hundred pounds, was too much for the wolf. After a fight for over haif an hour the dog came off victorious, having succeeded in atranging the wolf. Mr. True will no doubt get the bounty paid is such cases, the first for many years in

this county. -Mr. Beecher's farm at Peekekill is advertised for sale. This was the favorite residence of the great preacher, and, hemany instances with which he embellished his public addresses. Somebody once asked Mr. Beecher why he deemed it neceseary to impose upon himself the task of going about the country lecturing so long as he had his salary of \$20,000 as pastor of Plymouth church. "Ah," was Mr. Beecher's response, "don't you know that I was farming it up in Peekskill? That costs money." Fancy farmers will appreciate

the joke. -Last Friday night Dora E. Bennett, a ed by three men. She had gone out into the yard after dark when, it is said, she was overpowered, placed in a buggy and taken away. Monday afternoon she was found in a small grocery tore in Cleveland city by a policemar. She was shoeless and word a rubber coat over her night clothes. Her hair had been cut off and she acted as andkerchief one a rote stating the, if crazy. She said she lost her wite directly after she was about en, and when she gained mental equilibrium she found nerself in a house occupied by colored people. Her father, a wealthy farmer, came

and took her home. -(iirla, he ware of the gum when it moveth in your mouth and laviteth the da liance of your back teeth. At the last it biteth like an action and stingeth worse than the mattingestion table. In Bloom ington, Iti., a girl has lost con rol of her jav hy the pernicious habit. A physician whom who has consulted says she has wor out the muscle which serves as a hinge, and she will have to undergo a painful operation bet re it can be hauled taut again. She has received thirteen offers of marriage since ber most rtunce became known. said offers being coupled with the provis ion that she permits her jaw to remain un-hinged, but the thought of what a useless affair it would be for the mother-ic-law purposes in the days which are to come has induced her to reject them all and bid the

doctor oring on his little tourn quet. The relative values of a wife and a hes lend have been fixed by ner majesty's perilipuors of the county of Simeoe. A wife left her husband and took up her residence with her parents. The husband sued his foliardniaw for abducting the lady, coming damages. The case was fully argued and the damages were assessed at \$100. This was the value of a wife. A young woman who had received and accepted an offer of marriage from one of the honest yeoman of the county sued the young man for non-fulfilment of his contract. She recovered \$2,500. This was the value of a husband. Upon what basis the markst prices were fixed does not appear. It is to be borne in mind, though, that the jurors are of the male persuasion: and, further, that in all probability they are married. They may, therefore, have heen alightly prejudiced against the opposite sex.

-A London cable says: Mr. Gladatone's denunciation of the use of cloture to curtail the debates on the urgency motion and coercion bill forced the government to reconsider that subject. The ministry decided to permit a prolongation of the diacussion, but will insist that the house fore-

idland district house.

breate was unanimously passed.

- Mr. Robert Belith of Bowmanville was very successful with his homeout the Toward species stalled three days on Wednesday last, winning two out of three first prizes, wifets firstuded two mowing machines, worth \$70 each and a fourth prize of \$10 in each. Mr. Belth, sold one of the prize-winners immediately after the award for \$8,500 to Mr. Thomas Colquioun of Mitchell.

—A young man calling himself H. C. Le-sen of Chicago, but who is alleged to be V. E. Vargant of Markham, is in gool at Farmington, Missouri, on the charge of attempting to pase bogus cheques. A cheque on the Ontario bank for one thou-sand dollars was found in his possession, and sies a letter from his mother in Mark-ham stating that detectives were searching. ing that detectives were seas for him for passing a cheque for a large smount on the Dominion bank.

James Chambers of Eldorado, Hastings ounty, purchased a Winchester rifle last set and was giving it a trial on Saturdey. After firing a few shots he laid the rife down to attend to some other matters. While he was gone a son picked it up and in handling it discharged a shot. The bullet passed through a sleigh box and The builet passed through a sleigh box and hit the boy's 3-year old brother in the stomach. Death very soon resulted from the

-On Friday week Mr.R. Beatty, a young man about twenty years of age, was engaged all alone in the woods loading sawlogs near Elizabethville, a "suburb" of Port Hope, and in doing so a log lying on the side hill stagged to roll. Mr. Beatty attempted to stop its progress with an axe he was using. Instead of stopping it the log pinned him fast by one leg. Here was help him. Instead of giving up he spoke to the team and got them to back the sleigh sgainst the log to prevent its further and then managed to detach one of the whiffletrees and with it worked his foot loose after being held for over an hour. The young man exhibited great presence of mind and pluck under the trying cir-

The libel cases brought against the Toronto Globe by Messra. W. B. Northrup of Belleville and D. R. Murphy of Trenton as been settled by the defendants agree ing to pay \$10 damages and costs in each case and publishing an apology. The cause of the action arose during the recent election contest, it being charged that the aum of \$4,000, which was paid by the government to Mr. Murphy through Mr. Northrup was a corruption fund to be used in the election. The plaintiff stated in evidence in the oreliminary examination that the money was paid to Mr. Murphy for land in Trenton which he had sold to the government as a site for a public building and that Mr. Northrup was the solicitor who had acted for the government in the

-Mr. John Stewart, who resides near Courtice, a tailor of some renown, has invented what he claims to be a sure preventative of smash-ups on railways. The invention in question is a vat which is to be fascened in froat of the wheels of the engine and to be filled with grease, which must be kept warm. When another train is seen approaching a tap is to be turned, thus allowing the grease to run on the rail, which will stop the train, Mr. Stewart claims, in much less time that will brakes. Mr. Stewart has had this invention patent-We can't just understand how grease will stop a train in a short space of time, especially if it is going down grade at the rate of forty miles an hour, but we presume young married woman who lives with her the patentee has taken all such trouble-father near Columbiana, Ohio, was soducted some questions into consideration long ere this
