

McLean, Smith & Co.

GOLDEN FLEECE.

OUR STORE FULL OF NEW GOODS

AND THE

STOCK OPEN FOR INSPECTION

A store full of New Goods ready for the spring trade; brilliant in colors; as to wear, reliable and durable, and last but not least, the price is reasonable.

We believe that our success in a great measure depends upon the quality of the goods we sell and whether they fully sustain the recommendations we give of them.

Regarding the SUITS we turn out, the cut is fashionable, the workmanship artistic, and as for wear, we give the fullest guarantee regarding this important quality.

The majority of great men rise by their own merits and not by self-adulation, so with increase of business, it generally follows good work with honest merchandise.

We do not believe that we are the only house people can trust to buy of, but we do believe we are surrounded by live, pushing, honest and upright competition.

We are young in trade, but ambitious. We are constantly after the BEST GOODS TO SELL; most dealers are after the goods which sell the best.

A Job Lot of PARASOLS just in. Splendid Value.
