telling effect sgainet the evictors.

A Winnipeg despatch says: In a lengthy debate in the Manitoba house last Wednesday night Mr. Leacock, a strong conservative, said in reference to the C. P. It. that Sir George Stephen by his threat had made a laughing stock of himself. He had tried to coerce the province into his views, but he had falled. He had found that if he could induce Sir John to forget his statement that Manitoba could not be checked. Tupper to repudiate his uttersness and White his promises, he could not coerce this legislature. Although he (Mr. Leacock) was a conservative, it was no use disguising the fact that monopoly prevented the development of the country and people were leaving it in every direction. He wished Mr. Scarth had taken the strong stand taken by Mesers. Watson and Daly by freely speaking the viewe of the city he represented. In conclusion, he said the province intended building a road to the boundary, and say strempt at interference by the Dominion government esid the province intended building a road to the boundary, and any attempt at interference by the Dominion government would rates apprit in this province that would attend the bonds of confederation. If the Canadian premier, whose great work had been to perfect confederation, persisted in his attitude toward this province he feared the death-kuell of confederation would also sound as his death-kuell politically."

Lord Hartington and Mr. Chamberiain had an interview with members of the government on Wednesday, and it is reported the result was the dropping of the venue datise in the crimes bill in favor of a provision for trial by a commission of judges.....Sir George O. Trevelyan declines to discum the advisability of continuing an Irish representation at Westminster: He says: "If we have not a common imperial parliament a virtum separation of Great Heitzin and Ireland would cause."
