PRICE is to a certain extent a measure of the value of goods. the merchant's measure of what the goods will sell for. It may be high or low. It's the storekeepers notion.

REMEMBER

there are two kinds of storekeepers. You will always have to bear this in mind as it often effects the price radically. We now proclaim, having no fears of contradiction, that we have as low prices as there are in the Province of Ontario for dependable Dry Goods and Clothing. Good wool, good workmanship, good wear in every pair of Pants, Vest, Coat or Ordered Suit which we turn out, and not a garment which we can't recommend as the very best in town at its price, and the price is always the lowest.

Bear this in Mind.

that when Syou get a Suit, a pair of Pants or a parcel of any kind of Goods at fabulously low prices look out for the quality of the goods. You will find you are getting nothing better than you pay for. Keep an eye on the price; find out what kind of a store you are in and remember that you can't get five dollars' worth of goods by paying one dollar. We are willing to have you judge us by the quality of our goods, and we promise to give our patrons 100 cents' worth of wear and worth for every dollar you leave with us. Several new styles of Cloth fer Ordered Clothing.

-The Bowmanville Sun says: "By the death of Mrs. Dr. McLaughlin our town has lost one of its most amiable citizens, and the very large attendance at her funeral on Tuesday afternoon testified to the universal respect entertained for her far and near. Whether in the home, church or charitable work of the town, her kindly dis-position was manifested while health was vonchsafed, and her lingering ariliction was vouchsafed, and her lingering affliction was patiently borne with Christian resignation and fortitude. Beautiful floral tributes were placed upon and around her coffin by loving friends and the women's Christian temperance union, and stores were closed while the very long cortege passed down King-st. to the cemetery. In the absence from town of her pastor, John Smith of Erskine church, Toronto, for many years pastor of the Presbyterian church in this place, officiated at the burial service, which was touching and impressive. The family have the sympathy of the entire community in their sad bereavement.".... The decessed lady was a neice of Dr. W. H. Gross of Lindsay and was well knewn to many of our townspeople.
