THE COLLEGIATE INSTITUTE BY-LAW.

The adoption of the collegiate institute by-law for \$20,000 by the handsome majority of one hundred marks the beginning of a new era in the town's educational history.

The board is now in a position to carry out a liberal and progressive policy, which will provide the town and district with one of the best institutions in the province.

The construction of a new high school building will be followed in a year or two by the reconstruction of the ward schools and by the replacement of the union school "monstrosity" with a plain, well-ventilated, well-lighted and well-ventilated structure.

The board is now in a position to carry out a liberal and progressive policy, which will provide the town and district with one of the best institutions in the province.

Association in the States was only on every day; Canada was a regular weekly.

A new Ontario committee is to be organized by the United States and Great Britain to study the Canadian education question.

The Warder has apparently decided to be "gracious" and not "apathetic" in its attitude on Judge O'Connor.

The Kingston Whig remarks: "Mr. J. L. Higgins, Inspector of schools, Toronto, revived the scripture lesson question at the meeting of the Ontario teachers' association."

Sir Henry Holland has stated in the house of commons that there was "no truth in the statement that the government had selected Winnipeg as a point for concentrating imperial forces."

The report first appeared in the Toronto News in an alleged interview between a leading Manitoba conservative and the premier.

We print in another page some extracts from the reports of the Detroit News correspondent regarding the commercial union sentiment at Port Hope and Peterboro.
