The Canadian Post. LINDSAY, FRIDAY, SEPT. 23, 1887. LOCAL NEWS LETTERS

MARRIAGE. [Correspondence of the Post.] At the residence of the bride's mother, on the 11th inst., Rev. L. Perrin, D.D., of Kirkfield united in the bonds of matrimony Mr. Wm. Glover and Miss Mary McFadden, both of the township of Mara. After partaking of a beautiful dinner the happy couple were accompanied to the church at the usual hour of service. Centre seats were reserved for the bride and groom. A collection was taken up in aid of the school fund.

EXTENSIVE FARMING.—One of the most extensive farming enterprises in this section is that of Mr. Richard James, just south of the township of Mara. After partaking of a beautiful dinner the happy couple were accompanied to the church at the usual hour of service. Centre seats were reserved for the bride and groom. A collection was taken up in aid of the school fund.

NEW FIRM.—Messrs. Staples & Anderson have bought out the general business of Mr. John Maywood, as merchant, insurance and equipment agent. Mr. Maywood is popular and respected and built up an extensive trade, which the new firm will endeavor to enlarge. They are adding to their list of agents. Their arrangement will be found in other columns. They have an attractive new stock and those who wish anything in their line should give them a call. Mr. Maywood will remain in the village for some time and it is to be hoped he will not leave us.

FAREWELL SUPPER.—On Tuesday, 7th inst., the citizens of Victoria Road assembled to do honor to Mr. Matthew Martindale, who has left for Markdale, Ont., and to testify their regard for him and their regret at his removal. An excellent supper was prepared at the Johnson house, and after appointing a chairman supper was joyfully enjoyed. The usual loyal toasts were only honored. "Our Guest" brought a neat reply from Mr. Martindale. His associates for many years, personal and commercial, were now surrounding him, while regretfully leaving Victoria Road, the speaker believed it would be to his individual advantage. The governor-general and parliament of Canada brought Messrs. A. Peterson, W. J. Chrusow and J. Thompson to their feet to debate in succession on the above questions facing Canadian statesmen. "Canadian Commercial Interests" were ably represented by G. G. Shields and A. Peterson. "Our Mechanical Interests" were represented by Messrs. D. Ryckman, W. R. McPhee, W. R. Johnson and W. R. Johnson. Mr. Peterson, in his speech, said that Mr. Martindale was a capital style helped the hall to roll on pleasingly. Mr. Peterson was warmly greeted by Messrs. J. Thompson, Wm. Shields, A. Peterson and John Armstrong, who fairly took the house by storm. The Hon. and Honors were duly responded to by the proprietor in suitable terms. Mr. A. C. Peterson then only referred to the thanks of the party for the excellent spread. All joined and sang God save the Queen and the party broke up. Before Friends are still prevalent. Some persons do not much damage has been done. A horse owned by John McDonald of Kirkfield, about half a mile out of the village, took time seven minutes from the time the fire was seen creeping up the side till all the shouting and not were completely burned and not a single

the frame could be seen, which of course did not remain standing long. The Victoria Road.—The road approaching this village is greatly repaired. What with rate labor, county money and the grant Mr. Barron obtained from the local government the Victoria road is getting fairly repaired. Fall Shows. Rock, at Sunderland, Oct. 3, 4 and 5. Important Announcement to the Public. Some time ago we intimated to our friends that we contemplated an early retirement from the grocery business and we now beg to inform them that we have decided to do so as soon as we can dispose of the balance of our present large and varied stock. During our long and active experience we have given our particular attention to the buying of TEAS AND COFFEES, and have always tried to keep on hand the best samples of these products the market could supply. Our efforts in this line have been successful, and we have in consequence received many commendations and constantly increasing support from the public, and these facts have led us to believe that by dealing chiefly in these commodities we will find ample and profitable scope for our means and energies. We have therefore decided to devote our special attention in future to the sale of TEAS AND COFFEES; and to this end we will import direct from the place of growth, where we have experienced and trustworthy agents and we can promise the people of Lindsay and the surrounding country the very best quality and most varied assortment of TEAS AND COFFEES at the lowest price ever offered in Lindsay. Our COFFEES will be imported green, and roasted and ground on the premises. With our facilities for purchasing we can offer the merchants of the surrounding country values equal to those they can obtain in Montreal or Toronto. We will carry on business in our present stand, where the balance of our general stock will be disposed of at cost price. We will continue as heretofore to buy SEEDS AND PRODUCE for which the highest price will be given in cash. BUTTER will be taken in shipping packages only.
