As a femely for Whooping Congia, with which many of our children were efficient, we used, during the past winder, with much entisfaction, Ayer's Cherry Perforal. For this affection, we consider this preparation the most efficience of all the pastiones which have come to our knowledge.—Mary Parklinest, Properties, Home, for Little Wandersen, Donnaster, Md.

Manuerous Ponester, and My children have been peculiarly min-het to attacks of Croup, and I failed to find any effective semanty until I com-menced administrating Ayer's Cherry Pectoral. This preparation relieves the difficulty of breathing and invariably error the complicate.—David G. Starks. Shatham, Columbia Co., X. Y.

f have used Afor's Cherry Pectoral in my family for many years, and lays found it especially valuable in whooping Cough. This medicine allays all irritation, prevents inflammation from extending to the lungs, and unledy substants of the proportions. thes any tendency to Lung Complains.

— J. Wellington, Planville, Mich.

I find no medicine so effective, for Group and Whooping Cough, as Afer's Cherry Pectoral. It was the means of swing the life of my little boy, only six months old, carrying him safely through the worst case of Whooping Cough Level two Junes Halone, Piney Plats, Tenn.

The Canadian Lost.

LINDRAY, PRIDAY, SEPT. 30, 1887. LINDHAY'S BIG FAIR. THE SHOW A FINANCIAL SUC-

druments were put to practical use and music elicited attracted much at-

in the attractions of the fair may to tion objection of the large show cane held an attractive display well set out.
d. Hines placed on show many fine lines of amoki t's atticles, which appealed to the fraternity who use tobacco as the best thing of this kind ever shown in Lindsay.

W. Howe had for inspection several of the popular make of coal stoves known as Handstome atores and of well known excel-lence as to economy in the use of fuel and everything that makes a stove desirable. MACHINES AND IMPLEMENTA

W. Foresth of Peterboro showed six of his celebrated fanning mills, Two of these machines were fitted with an appliance to collect and bag the grain, a labor saving John Makins showed two of his make of

Leary's Iron ladders were on the ground and placed to afford the public a chance to

Fine in the world if the public no winhed.
I'ster liamilton of l'sterboro showed a Well finished sully plow.
The alasses Mig. Co. of Onhaws showed one send drill, claimed to be the best in the

market.
Janu - Massee of Janetville had erected his patent rack lifter calculated to effect a great saving of labor in handling has or straw. Capt. Hunter had under his care as ex-

Athit from Campbellof Chatham, including one families will, one weder, "ladey" churn and horse fork. Capt. Evans of Omemoushowed a steel plate land roller. on excellent implement, and which the captain effered to marantee for fifty fears and the sto grant a new warranty for a further period. Capt. Erane had on the grounds one of the special haud fire engines half at his shops in Omenics. These engines are in great favor for furnishing an hexpensive means of subting the and The Manage Miss. Co. of Toronto showed

one light and binder, one Toronto Mower and one Sharpe's horse rake, all capital machines and well-known throughout the

Mr. C. G. Cody, handling the exhibit of Harris S in & Co. of Brantford, showed one light steel bunder, one mower and one reaper. The competition being between this exhibit and that of the Masseys, the Brantford binder carried off the honors and was decorated with the red ticket. It was the authiert of remark that no ex-Hibit from the implement works of Sylvester tiros higs Co. of Lindsay was on the grounds. What reasons if any the firm had for neglecting to exhibit is not known, but it c. charnly would have looked more helpful had they placed an exhibit on the out it c. thinly would have looked more helpful had they placed an exhibit on the ground at this the local fair of the county, when so many of our local manufacturers give annulance and make a display at the fair the turning of a cold shoulder by an import or industry like the Sylveste F. Broading. Co. cannot but be the subject of grants on many.

smise of the extent of the display made of a praiseworthy effort to dip into the in-Wienelen of all- and water colors very few example. were above the line of medicarity. penell and croson drawings severe

The implement display of photographic work shows by Mr. I. H. Oliverof Lindeau was a picture to look at and effected gastife comment that it was it every respect the equal of the best day productions. However, holes & Chapman of Lindeau des stormet a case of photographs limited as stormet a case of photographs limited as stormet a case of photographs and the servers onlications of minerals, and the case explained and paster printing made by T.E. Post printing office deserting the limited stored the limited stored the limited stored to be limited.

F. Edmonds had on the ground bis

-Mr. W. A. White held the importan was, as usual, efficientiand obliging. urades" was erroneously placed over the

prise liet, where all the exhibits appear. -Mr. Jos. Brown conducted his restaur ant on the Europeau plan with the expert-ness of a Delmonico. The directors and fair officials direct at the restaurant dur-ing the fair.

The Citisens' used furnished excellent music during the fair, ploying evenings as well se during the day. From their seats on the grand stand the band discoursed spirited pieces that added to the good feeling and filled up intervals between con-

tention. The new Williams sewing machine has a place in Mr. Wetherup's exhibit and attracted much attention by their case of working and efficiency.

A. H. Terry reminds all comers that though the attractions of the fair may for

—It would hardly be fair to refer to Mr. P. Curtin as the Cerebus who guarded the gates, but Mr. C. was exceedingly watchful that the proper 25c, certificate was carried by all who entered—harring the prese, which Mr. Curtin treated with the most distinguished consideration.

"Cody's Canvas Canopy" During the fair no man having put his hand to the door of the tent turned back without going inside to share in the conversation.

-In our report is last week's issue the thoroughbredstallion Superior, is mentioned as being the property of Mesers, Kenny and Sweetapple of Lindsay. This was an error as Mr. W. F. Broad of Mariposa has sequired Mr. Sweetaple's place with the firm and interest in the stallion. The owners of the horse are therefore Mesers. Kenny and Broad.

The excellent exhibit made by Horn & sons, of the Eden, Mariposa, woollen mills was much admired. The tweeds, fisunels, yarns sud sheetings shown were of admirable mannfacture and sreat merit. Some extriped fisunels and checks were the subject of praise from heads of families who examined the goods. The Eden mills made a most creditable display.
