Every article in the store at exactly COST PRICE. We will continue this sale until the First of November, when the store will be closed until stock can be taken, after which we expect to resume our regular business; in the meantime we are anxious to get together as much money as possible before the first of November and respectfully request and urge all these indebted to us, either by note or book account, to be punctual in paying up before that time.

Our stock is still well assorted and altogether the largest in the county, and such a genuine sale of New Goods, suitable to the season and bought specially for the present trade, is very rarely if ever met with. MR. CATHRO is booming the Ordered Clothing, and why not, when you can buy your Clothing at exactly cost price. Fresh opened, only out of bond this week, 10 bales of Tapestry and Brussels Carpets, one entire case of 75 Astrachan Mantles, all sizes and best quality.
