Excellent. The Peterborough Review says: "Mr. J. D. Fierelle, the renowned skip of the Lindsay curling club, proposes to resume hostilities between the clubs (Peterborough Lindsay) almost as soon as his health will permit. Mr. Fierelle will recollect that the last conclusion of the season past resulted in an overwhelming sweep for Peterborough. Hands across and down the middle! Balance all!"

Sheep & Lynx. Last Friday morning Mr. Jas. Endicott was out for partridges at Pleasant Point, and noticed the foot-prints of a lynx in the snow, of which there was just enough to enable the "animal" to "make tracks" to the White, Geo. Hay and Henry Sharpe, and armed with guns led out for the big game. Sharp and White succeeded in tracing the lynx and fired four shots at and hit him once, but did not seriously injure him. Endicott then came up and brought the lynx down at the first shot. It was a large and fine animal, measuring 11 ft. in length from toe to toe when stretched out. It had killed a sheep belonging to Mr. John Hay.

Church Notes. Thanksgiving services were held in the several churches yesterday. A union service was held in the evening in the Baptist church.

The services in St. Andrew's church on Sunday last were read principally to young men. In the morning Dr. McTavish in his most interesting manner described three of the great persecuting empires, namely, the Roman, the Mohammedan, and the present, and explained how these could be overcome. His remarks were practical and much good will resulted therefrom. The evening address showed clearly how worldly honors were esteemed more than real worth. Mr. McTavish's decision not to be called the son of Pharaoh's daughter, was used to illustrate how to decide by what principles the correct decision could be arrived at as to their relative worth. A large number of young men were present and an interesting time was had by request of Dr. McTavish to hold a short conference.

Y. M. C. A. Anniversary. The Methodist church was well filled Tuesday evening week, when the local Y. M. C. A. held its first anniversary. Rev. H. L. Pearson occupied the chair, though he was for a time called away to marry a couple. The secretary's report of the year's proceedings was very encouraging to the association, and evoked not a little the vicarious interest of many townspeople, who had no idea of the work being carried on. Mr. McCulloch of Orkney gave an excellent speech showing the increase of Christian sentiment, and that the Young Men's Christian Association was the important movement of the nineteenth century. The speaker explained how it had originated in an upper room in London and now numbered the entire world in its extension of the work in Canada and Toronto was very encouraging. Mr. Stevens of Peterboro explained the work done at a young man's meeting and the effect of the effects. He admired of all men a Christian athlete, and his face glowed as he spoke of the lacrosse field. He also accepted a challenge proffered by the chairman for a game of lacrosse between Lindsay and Peterboro on Wednesday evening next. An interesting little address encouraging the young men in more ways than one. Rev. Mr. Mack made his maiden speech in the chair, though he was for a time called away to marry a couple.
