Ayer's Preparations.

The First Symptoms

Of all Lung diseases are much the same : feverishness, loss of appetite, sore throat, pains in the chest and back, headache, etc. In a few days you may be well, or, on the other hand, you may be down with Pneumonia or "galloping Consumption." Run no risks, but begin lormediately to take Ayer's Cherry Pectoral.

Several years ago, James Birchard, of Darien, Conn., was severely ill. The doctors said he was in Consumption, and that they could do nothing for him, but advised him, as a last resort, to try Ayer's Cherry Pectoral. After taking this medicine, two or three months, he was pronounced a well man. His health remains good to the present day.

J. S. Bradley, Malden. Mass., writes : "Three winters ago I took a severe cold, which rapidly developed into Bronchitis and Consumption. I was so weak that I could not sit up, was much emaciated, and coughed incessantly. I consulted several doctors, but they were powerless, and all agreed that I was in Consumption. At last, a friend brought me a bottle of Ayer's Cherry Pectoral. From the first dose, I found relief. Two bottles cured me, and my health has since been perfect."

Aver's Cherry Pectoral,

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by a 1 Druggists. Price \$1; six bottles, \$5.

ORILLIA.

BADLY SCALDED. On Wednesday fore-noon the two little daughters of Mr. W. A. Gaffett were playing near the kitchen stove, where a woman was engaged in washing. One foot of the stove fell, causing it to topple over, spilling the contents of the boiler and kettle upon the children. Fortunately cold water had just been poured into the boiler, but that from the kettle scalded the elder girl very severely from head to foot. The younger escaped with much less injury, though she received two rather severe scalds.—[Packet.

THE RANKRUPT STORE, ORILITA.—Possibly one of the greatest boons to the purchasing public throughout the whole of the northern section of country has been the establishment in Orillia of what is so widely known as the Bankgupt Store, the proprietors of which are John T. Forter & Co. This business has been in active operation for the last three years, and in that period has met with a most unqualified success. The premises are located on Mississaga-st., next door to Crookett's hotel, and comprise a general store, 20x35 feet in dimensions, with a warshouse 20x30 feet. It would be impossible to enumerate the large variety of goods carried, but the stock includes nearly everything that comes into the daily requirements of all. J. T. Portor & Co. deal only in bankrupt stocks, and being admirable judges of all kinds of commercial merchandise they purchase only what they know to be reliable and which they are enabled to offer at prices that absolutely defy competition. Staple and fancy dry goods, boots and about, groceries, crockery, glassware, tinware, lamps, electro-plated ware, cutlery and fancy articles are all to be found here. They make a specialty of clothing; and it is no tempty boast when they grarantee that at least 25c, on every deliar spent may be saved by purchasing at this establishment. The system pursued is strictly can or produce, and all goods are marked at the grary bearing price. Handling, as they write a special powers are marked at the grary bearing price. The importunent jobbury with the business is given to a large number of contrasts, while the trade of the house dreamer with the business is given to a large number of contrasts.

They have passed a by-law repealing the former one to issue debentures to run twenty years towards the expense of building a new school house here. The second deputy-reeve appears to take the most sensible view of the situation of the whole number when he told the board of education that they were in all probability pushing the township for a large amount of costs which they would have to no doubt pay. ONTARIO COUNTY. DEATH OF MR. SHIRLEY.—Mr. T. M. Shirley, who until recently carried on a general dry goods and grocery business in Oshawa, died at his residence last Thursday morning. A short time ago the deceased gentleman failed in business, and beins of an extremely nervous and sensitive temperament, his failure made him quite ill, and he gradually became worse, until Thursday, when he passed quietly away. His estate psid 53 cents on the dollar, and any business that would pay such a dividend in the hands of a liquidator must have been in fairly solvent condition when the assignment was forced. The friends of deceased have the sympathy of the public in their affliction.... The funeral took place Sunday, being the largest in Oshawa for some time. The remains of deceased were taken to the Roman Catholic church, which was heavily draped in mourning, where an impressive funeral discourse was delivered by the parish priest. The casket bore many floral offerings. Among the pallbearers were some of the leading people of the town. DEATE OF MR. SHIRLEY.-Mr. T. M.

Two Dozen Scott Act Cases.—The parties; against whom information was laid on the evidence of Mesers. Dennin and McCrae, in this county, seem to realize that the law has force and they must submit. There is none of the loud boasting so prevalent before the Myrtle affray. Twenty-fourcases were brought before Police Magistrate Horne last week. Fourteen of the defendants pleaded guilty, two cases were dismissed and eight adjourned to the 17th inst. All the parties pleaded guilty and were fined as for the first offence. Their names are as follows: Chae Ray, Jas. Black, Jas. Prindel, Ed. Armstrong, J. Smith, Whitby; J. C. Wood, P. Creighton, Finnigan, Oshawa; P. Brooks, C. Chinn, Brookin; Henry Wilson, Ashburn; Hastings, Claremont; H. Gleason, Greenwood.
