In all lines of Gentlemen's Furnishings our stock has never been so complete as it is this season.

Our selection of Irish, Scotch and English Suitings never was so complete as it is this season, with a full range of Patterns, Black and Fancy Worsteds, Spring Overcoatings in different makes. General Sporting Notes.

A fall meeting of the members of the Y. M. C. A. lacrosse club is called for Tuesday evening.

Mr. Thos. Howden of Peterboro has purchased a colt from a Cobourg man, that is expected will make 200 look like a year or two.

The Review says: "A race for 400 yds. to take place at the driving park at Peterboro, on May 21st, between two Ontario horses, is being talked of."

Mr. John A. Barron, M.P.P., will be home this morning at the opera house, and will remain here until the home meets again next Tuesday.

Mr. Arch. Haggart of Parry Sound gave us a call last week on his way back from Emily and his new home. Mr. Haggart was hearty and hale as usual.

Miss Bella Markham, who obtained a second-class certificate at the midsummer examinations, has been offered and has accepted the Minden school, Haliburton county, and left town last week.

Mr. John Pierson left town Tuesday to superintend the repairs to the Ontario government works at the Great river at Timmins, and east of that metropolis. Mr. Pierson is a respected and capable official.

We regret to have to state that Mrs. Matchett, wife of our esteemed county treasurer, is in a very critical condition, having sustained paralysis from an attack of apoplexy. At this writing Mrs. Matchett's recovery is not expected.

We learn that Mr. Barron, M.P., has been confined to his rooms in Ottawa by illness for the past week. His return for the Easter holidays may in consequence be delayed, but it is fully expected he will keep his engagement with his friends at Cambridge next Monday evening.

Mr. W. J. McMurtry, late manager of the Ontario branch of the Mutual Reserve Life Association of New York, with head offices in New York, has been called to the city by the society; 8 essays on character by Mr. Cummings; 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

Mr. A. Skinner left town this week for Woodstock, Ont., where, we understand, he intends entering into business. Mr. Skinner is a most worthy, industrious and estimable citizen, and we trust his lines may be pleasant and prosperous places. The family will not remove for some time. The departure of Mr. Skinner and his family will be generally regretted.

Mr. John Macdonald of Kirkfield, a wealthy C.P.R. contractor, has purchased the fine Wood Farm, near the Great river at Timmins, and will move to Lindsay in May. Mr. Macdonald will no doubt improve the residence and grounds. Mr. and Mrs. Macdonald will be cordially welcomed to Lindsay. We beg to nominate him for councillor for the north ward in the fall.

Mr. P. McCue of Eganville, formerly of the 7th con. of Egan, was in town Saturday and gave us a call. Mr. McCue has been some years in the North west and has prospered. He stated the grain blockade was a great disadvantage to farmers. Mr. McCue is a fine-looking young Egan farmer, and so he is a headstrong he should not be allowed in this year of grace to go back to the state of single blessedness—old, obscure, destitute.

The Beethoven Quartette Concert. The concert next Thursday evening by the famous and popular vocalists comprising the Beethoven quartette promises to be one of the finest that has ever been placed before Lindsay audiences, and we trust that the public will show a hearty appreciation of the enterprise. The quartette, in securing the quartette for this place, the programs show that a very attractive performance may be expected for the concert. The mystic links have a bumper house.
