CHURCH NOTES.—Mr. Harkness of Knox college, Toronto, occupied the pulpit of St. Andrew's last Sunday morning. His dissource was interesting and instructive. It is somewhat to be regretted that the greater portion of this congregation live quite a distance from the church and the uncertainty of service this winter together with bad roads has deprived many from getting there. But we are all waiting as patiently as possible for the arrival of Rev. Mr. Mc-Kinnon, when we hope to see the church filled with attentive audiences. In the meantime Rev. Dr. McTavish of Linday is to be present on Sunday, 22ad April, and preach to the congregation of St. Andrew's, when no doubt he will be able to tell us definitely the date of Mr. McKinnon's arrival.

OBITUARY.—The many friends and relations will regret to learn of the death of Mrs. Robert Foster, which sad event took place on Friday morning last, April 6th, after a short illness. For several years past Mrs. Foster has been infailing health, suffering from paralysis, which ultimately resulted in her death. Her illness throughout was borne with Christian fortitude and meckness, never murmuring or complaining. In early life deceased was converted under the ministry of the Rev. Mr. Dixon, and up to the time of her death she was a consistent member of the Methodist church. Deceased was a daughter of the late George and Amelia Colton of Oshawa. Two sisters and one brother survive her, being Mrs. W. H. Gibbe of Toronto, Mrs. T. Bartlett of Oshawa and Mr. Charles Colton of Port Perry. She leaves a husband and three children to mourn the loss of an affectionate wife and devoted mother. The service was conducted by Rev. W. Breden of Little Britain, who took for his text Isaiah iii., 10. The funeral took place on Sunday afternoon and was very largely attended.

THE MONTHLY FAIR.—Owing to very unfavorable weather and the bad condition of the roads the attendance at our first fair was rather thin. However, quite a number turned out and we hope to have the next meeting a great success. A great number of the farmers consider that to establish auction cales would prove very beneficial. This matter was fully discussed by a number of the intelligent farmers and it was thought it would add to the success of these fairs. Amongst those who had cattle to dispose of were Mesara. Carnegie, Burtchell and Rumney. We expect to see a large number at the next monthly fair as it will be more in season. We see no reason why we should not have good monthly fairs here in future.
