—The Mendelssohn Quintette Club's concert last Thursday evening, it is needless to say, fully sustained the high reputation of the company. Mr. T. Ryan, the veteran chief of the club, received a hearty welcome. The numbers were admirably rendered. Miss Annie Carpenter, soprano, was heartly encored. A large audience showed their appreciation of the enterprise of the Citizens' band in securing the concert.

—The Catholic literary association intend giving another debate and entertainment at an early day, and as it will probably wind up the season it will be made a special effort. An energetic committee has the matter in hand. The association having recently purchased a handsome Uxbridge organ to grace their hall asmall entrance fee of perhaps a dime will be imposed to help defray the cost of the instrument. The date will be announced shortly.

—Evangelist Meikle closed a series of services extending over three weeks by a farewell meeting for men on Sunday afternoon and for the general public on Monday evening, in the operahouse. Mr. Meikle has developed great power house. Mr. Meikle has developed great power as a preacher since his former visit to Lindsay. —The Grand Trunk Railway Company have awarded contracts for actions of double tracking on the line between Montreal and Toronto to the extent of about sixty-five miles, to be completed about the middle of september.

—A young man named William Elsie, while engaged in shunting in the Grand Trunk yard at Allandale Monday afternoon, got his foot caught in a frog and was run over and instactly killed. He was a single man about 23 years of age His parents live in Manitoba.

—The Cobourg local on the Grand Trunk will shortly start from Peterboro (instead of Ctbourg) and make fast time into Toronto via Port Hope. This will secure for the Grand Frunk a larger share of the Toronto passenger traffic which has been mainly going by the C. P. R.

General Sporting Notes. -The Lindsay high school cricket club go to Sunderland to morrow to play with the Sunderland team. Some eighteen or twenty will drive across country.

-Cannington will celebrate the 24th May with a fine program of sports, including trotting with a nine program of sports, including trotting events. It is expected that the rivalry between the celebrated flyers Maud S. and Mayflower will be settled on that occasion.

—The Civil Service baseball club of Toronto, acknowledged one of the best amateur club- in Ontario, have challenged the Lindsays for a friendly game on the 21th May. It is needless to state that the "defi" has been accepted, and our boys are getting right down to solid practice.

Last Friday afternoon a game of base ball—one of the first of the season—was played between the north ward "Mohawks" and the south ward "Maple Leafs," on the grounds of the latter. The game was very exciting throughout, "curve balls," "base hits" and "home runs" being the order of the day. The result was a victory for the Maple Leafs, the score standing 41 to 19.

On the 2th of May the lacrosse club of the Y. M. C. A. intend visiting Port Hope to play a match with the Hope boys. The Lindsay boys will go down on the early train and will be met at the station by the Port Hopers, and they will proceed to the town park where the game will be played. After the match they will proceed to the association hall, where dinner will be served. A good game may be expected as the boys are practising hard.

-St. Andrew's church will be re-opened on Sunday, 3rd June. Specially interesting services

may be expected. -St. Andrew's church services will be con tinued in the opera house next Sunday. Rev. Dr. McTavish will preach at both services. The stationing committee of the Bay of Quinte conference will meet in Lindsay on June 4th. The conference will assemble on the 7th.

On Tuesday evening. Mry 22nd, all members of the Y.M. C. A. are requested to be present at the business meeting held that evening. There is considerable business to be transacted and a full attendance is requested.

Three ladies who wished to be baptised by immersion, instead of sprinkling, on joining the Parliament at Methodist church, Toronto, were immersed Friday evening, the baptistry in a Baptist church being secured for the service, Rev. Mr. Courtice administered the ordinance. Rev. Mr. Courtice administered the ordinance.

-Next Sabbath being children's day in the Methodist church the pastor will preach sermons to the children. Morning subject, "A prosperous boy." Evening subject, "Fournoble boys" The singing will be conducted by the Sunday school scholars. All the children are requested to be present. All are invited.

requested to be present. All are invited.

On Sunday next Dr. Wilton, professor of Oriental languages, McMaeter Hall, Toronto, will ocupy the pulpit of the Baptist church here morning and evening. Dr. Wilton is an able and eloquent speaker, and will no doubt be listened to by a large congregation. In the evening the collection will be in aid of the ministerial education rund.

terial education fund.

—Rev. L. B. Anderson, of London home and foreign missionary, B. M. E. church, is in the town soliciting aid for the church he represents. He has documents to show that all the money he collects is put where it will do the most good —in the hands of the treasurer. By order of the committee it is paid into the mission field where it is most needed, and the agent has no further control over it. The B. M. E. church is struggling under many difficulties to keep its head above water, and any help from well-to do members of other denominations will be deservedly bestowed.

bers of other denominations will be deservedly bestowed.

—The Whitby Chronicle prints whatsome may consider a spiteful paregraph, but which is probably a thoughtless and silly attempt to say something smart in this wise:—"In Lindsay the free seating in St. Paul's church is being advertised to boom the congregation and work up a big crowd. If that don't succeed we advise the introduction of the ballet and trapeze. There is getting to be a good deal of enterprise in which management, and the show business may be introduced soon.".... An erroneous impression may be formed and therefore we may state that free seats were adopted because all the pews were taken, and there was not a pew to be had for new comers. The pews were not, of course, packed full every Sunday. There has been no attempt to "boom" the congregation "and work up a big crowd." We trust the Chronicle will make an amende for its uncalledfor comments. We may add that the free pew system has so far proved eminently successful, there being a larger attendance. A good many, of course, prefer the old plan but very properly waive their objections in order to give the free sat plan a fair trial. It looks as if the new plan had come to stay.

THE EGG PUZZLE

Appears to be the problem occupying the minds of the public at present. The following mathematical problem has been going the rounds of the press, and from the numerous answers the correct solution appears to be as far off as ever. Try it and let us know by postal card what your solution is : "If a hen and a half lays an egg and a half in a day and a half how many eggs will six hens lay in seven days." When you have solved the above correctly we would like an answer to the following, which is of more pecuniary importance to the country and more of a genuine reality to the recently organized egg combine: "If } dozen egg speculators combine to fleece the farmers of Ontario to the extent or 21 cents per dozen on 101 million dozen eggs in 1 a year what will be the total loss to the farmers of Ontario in 5 years, and what will be the individual egg combiners profit for the same period." Calculate the latter sum correctly, which is not all difficult, and you will realize what effect the recent egg combine organization is having on the pockets of the farmers and the farmer's wives of Ontario.

We perticularly request an answer to this egg combine puzzle. We invite every farmer in the Midland counties to unite with us in stamping it out. All we require to succeed eff-ctually is your united assistance and we can accomplish it without any difficulty whatever. We are equally interested without any difficulty whatever. We are equally interested with you in defeating money-grabbing monopolists who thrive on the hard-earned earnings of our farmers and farmers wives and daughters. Write us in connection with this subject and give us your opinion freely, and say whether you will give us your energetic support in endeavoring to stamp this monopoly out of the country.
