"Did n't Know 't was Loaded"

May do for a stupid boy's excuse; but what can be said for the parent who sees his child languishing daily and fails to recognize the want of a tonic and blood-purifier? Formerly, a course of bitters, or sulphur and molasses, was the rule in well-regulated families; but now all intelligent households keep Ayer's Sarsaparilla, which is at once pleasant to the taste, and the most searching and effective blood medicine ever discovered.

Nathan S. Cleveland, 27 E. Canton st., Boston, writes: "My daughter, now 21 years old, was in perfect health until a year ago when she began to complain of fatigue, headache, debility, dizziness, indigestion, and loss of appetite. I concluded that all her complaints originated in impure blood, and induced her to take Ayer's Sarsaparilla. This medicine soon Restored her blood-making organs to healthy action, and in due time reëstablished her former health. I find Ayer's Sarsaparilla a most valuable remedy for the lassitude and debility incident to spring time."

J. Castright, Brooklyn Power Co., Brooklyn, N. Y., says: "As a Spring Medicine, I find a splendid substitute for the old-time compounds in Ayer's Sarsaparilla, with a few doses of Ayer's Pills. After their use, I feel fresher and stronger to go through the summer."

In other words for every one thousand dozen shipped from this country they will have a clear profit of fifty dollars. If the combine handle five million dozen of eggs—a low estimate—during the year they will clear two hundred and fifty thousand dollars, and if the number engaged in this gigantic fraud is placed at fifty they would realize five thousand dollars each. As, however, a low estimate has been made the amount realized will probably be much greater, but this only demonstrates more clearly the inward cussedness of the whole affair.

MOUNTAIN DEER is of a beautiful dark brown colour, with dark points except one white foot behind; was foaled June 6th, 1881, and is rising 6 years old. He stands 16 hands high, and has superior action.

MOUNTAIN DEER was awarded first prize as a thoroughbred blood foal at the Central Exhibition held at Lindsay in 1881, also first prize at the same Exhibition held the four following

hibition held at Lindsay in 1881, also first prize at the same Exhibition held the four following seasons.

He was sired by Warmanbie, Warmanbie by Mountain Deer, Mountain Deer by Touchstone out of Mountain Sylph, by Belshazzar; Warmanbie's dam, Mistress Walker, by Jereed, dam Miss Lettie, by Priam, etc., etc. Jereed by Don Juan, dam by Tramp. Warmanbie is half-brother to Heir of Linne, Cora of Linne, Montrose, the Friar and Birdlime. Warmanbie was awarded 230 by Mid-Annandale Hunt Club for a thoroughbred horse to get hunters; \$10 by East and West Cumberland Societies' Show at Penrith; and \$25 given for thoroughbred horses at Carlisle in 1865. He was awarded the premium of 59 guineas at the South Lancaster Society's Exhibition at Kirkham in 1866, beating 15 first-class horses, open to all England He also took first prize at the Provincial Exhibition at Hamilton in 1872; and first prize and diploma in Toronto in 1874, For further particulars see racing calendar. Warmanbie was shown at the Centennial Exhibition, Philadelphia, and was awarded first prize gold medal, the first prize silver medal, the American diploma and the Dominion diploma as the best light horse in the field, 750 horses shown. Warmanbie was allowed by the Dominion advisory board, after tracing his pedigree, to be the best bred horse on this continent, and the most closely connected horse with the best families in Europe.

MOUNTAIN DEER'S dam, Lady Marsh, is well-known throughout Ontario, and has taken first prizes wherever shown as a thoroughbred mare. Lady Marsh distinguished herself running at Toronto when only three years old in 1888, and was also winner of the purse for the 5 mile race at Whitby in 1869. Lady Marsh's dam, Lady St. Clair, was a thoroughbred mare, imported from England by an officer of her maiesty's service. Lady Marsh was sired by the celebrated horse Bob Marshall. Bob Marshall was the heaviest blood horse in the Dominion, weighing 1,300 lbs., was a beautiful dark, dappled bay, standing 16 hands high and well-tempered: bred b

pered; bred by Mr G. Wilson, near Toronto, He was sired by Hermit, Hermit by Champion's imported Meux, out of Fleetwood, by imported Barefoot, out of Dove(see American Stud Book.) Meux was got by Young Phantom, dam by Diana, by Kill Devil, grand dam by Pot S.os, out of Maid of all Work. Bob Marshall's dam by Sir Tatton Sykes, imported by George Cooper, Esq., grand dam by Valeopian, great grand dam Foxhunter.—(See Turf Register.) Bob Marshall when three years old, in 1860, on the Carleton course on the 26th of June for the Queen's Plate of 59 guineas, won the first hear, distancing Highflyer. Tom Sayers, and Lady Larleton, beating Wild Irshman, Queen and Don Juan: second heat he ran a good second; third heat he was beaten half a neck, which was owing to his carrying 10 lbs. over-weight throughout the whole race. On the following day he ran for the Province purse of \$100 and won, beating Paris in two straight heats, carrying 10 lbs. over-weight. He obtained the first prize at the County Fair at Weston in 1872, beating the imported horses Charon and Sir Tatton Sykes; the first prize at the County Fair, Brampton, in 1863 and 1865; and the first prize at the Lambton Spring Show held at Sarnia on the 28th of April, 1868; another first prize at the same place on the 20th of April, 1870.—[For further particulars see Racing Circular in England and Canada.]

DESCRIPTION and PEDIGREE.

Chicago Volunteer is half brother to St. Julien, record, 2:11; Gloster, 2:17; Alley, 2:19; Bodine, 2:10; Julier, 2:10; Amey, 2:20; Huntresa, 2:20; Powers, 2:21; Sweetness, 2:21; and is others with records better than 2:30. He combines the blood of Volunteer, the best speed producing son of Rysdyk's Hambletonian, with that of Gifford Morgan, the best representative of the Morgan family. Hambletonian George's ist dam is by Old Tempest, he by Old Royal George, the Forshee horse, and he by Black Warrior; his 2nd dam was sired by imported Sir Tatton Sykes, 3rd dam was sired by Old Grey Messenger. No more royal-bred stallion than Hambletonian George can be found in Canada to-day. His pedigree takes in the famous winning bleod of the American and Canadian trotting turf, both on sire and dam's side. His breeding is unsurpassable, and, as like begets like, owners of mares will find him a profitable stallion to breed to, if they are uesirous of securing speed as well as style. Hambletonian George, in color, is a dark mahogany bay—one white foot behind, black legs, full mane and long sweeping black tail, stands 15½ hands high and weighs 1100 lbs. He won the Sweepstakes at Ridgetown, and could beat 2:50 as a three-year-old. He won the stallion race at Port Perry Central Fair last fall and only made ene break during the race, which proves him to be a natural trotter. He is even tempered and kind in his disposition, and without adoubt is one of the handsomest trotting stallions in Canada to-day. He has taken first prize at all the fairs last fall where he was shown—Lindsay, Port Perry and Sunderland, and first in Cannington last spring, in a field of 10 horses. He alse took 1st prize at Landsay apring show, 1838, there being six horses in the field, Mr. Curtas's horse Valentyne being one -of them. His colts are all fine large promising youngsters with plenty of bone, style and action, and are admired by all who see them.

DESCRIPTION AND PEDIGREE.

VALENTINK is a dark chestnut rising 12 years old, weighs 1.300 lbs., stands plump 16 hands high, well proportioned, perfectly sound, of very healthy constitution, which has been proven to the public, and also free from vice or any hereditary predisposition to disease. He was sired by that noted horse, Erin Chief, he by Howe's Royal George; dam by Erin Queen, by Imported Charon; second dam, by Sir Henry; third dam, by Imported Black Lock Imported Charon; second dam, by Sir Henry; third dam, by Imported Black Lock. Howe's Royal George by Field's Royal George, dam by Flying Childers mare. Field's Royal George by Toronto Chief. The dam of Valentine, Grace Darling, was sired by Royal Revenge, who had a record of 2.23; Revenge by Toronto Chief. Valentine's dam is a full sister to Fred Hooper, who has a record of 2.18. She is also a sister to Lucy, who has a record of 2.20½, and was owned by Palmer & Wells of Aurora, who sold her for \$15,000 in the States. Grand dam was sired by Rams-y's Messenger, he by Bloor's Messenger, he by old Imported Messenger.

PERFORMANCE

VALENTINE has proven himself to be a sure soal-getter, and has foaled a larger percentage of his mares than any stallion of his class in Canada. In the season of 1857 overtwo-thirds of his mares had feals. In the year 1831 2 he won the stallion race in Toronto, defeating Judge Fulierton, Canada Southern, Caledonian Chief and others, and won the stallion race at Hamilton, and also took the first prize and diploma at both places. In the fall of 1883 he won second money in the stallion race at the Toronto Industrial, and could have won first money easy had he not slipped and lamed himself in scoring for the first heat. He alse took first prize and diploma in 1833 at Hamilton exhibition. In 1885 he returned to Toronto and at the Industrial trotted against the following horses, taking the race in straight heats, not having been headed once, beating Hurricane. Caledonia Chief, jr., Coaster, Defiance, Strideaway, Crown Imperial, Robert Bonner and Aurora Chief. Valentine, at Port Perry in the fall of 1886, won the stallion race, opento the Dominion in three straight heats, jouring under the wire with 20 rads of a lead in 2.35, and beating Strideaway and Black Diamond. In the fall of 1887, though lame, he trotted to waggon at Peterboro, a private trial, in 2.30; and at Cannington trotted one of the "gamest" races ever witnessed in Canadaagainst Ansonia, beating him in the first and second heats in 2.32 and 2.33, and but for an accident at the 3 qr. pole would have won the race in three straight heats. His colts are good and strong, showing lots of speed and commanding high prices. One of his colts, Valentine Jr., owned by Dan. Cummings, Mount Forest, is 4 years old and can trot better than 2.40. Another colt. Lady Essa owned by J. E. Stoldart, Bradford, won the three-year-old colt race with ease, jegging in in 250. Another is owned by Thos. Hodgins, Toronto, five-years-old, trotted the Woodbine in 2.37. Many others could be enumerated who have performances equally creditable, and fully substantiate the fact that Valenti

THE KARN ORGAN

I have received the agency for Victoria county for the Celebated Karn Organ, manufactured at Woodstock, Ont., received the only silver medal, highest award over all manufacturers, at the Dominion Exhibition, 1883, St. John, N.B. This was the last medal ever awarded Organs in the Dominion of Canada.

The Karn Organ also received the last medal awarded Organs at the Toronto Industrial Exhibition, Toronto,

Those in want of a good Organ should call at my store and see for themselves. I intend to sell cheap, as I keep no men and horses on the road, therefore I don't want any profits on men and horses.
