Ayer's Hair Vigor—the only dressing you require for the hair—and use a little, daily, to preserve the natural color and prevent baldness.

Thomas Munday, Sharon Grove, Ky., writes: Several months ago my hair commenced falling out, and in a few weeks my head was almost bald.

I tried many remedies, but they did no good. I finally bought a bottle of Ayer's Hair Vigor, and after using only a part of the contents, my head was covered with a heavy growth of hair.

"My hair was faded and dry," writes Mabel C. Hardy, of Delavan, Ill.; "but after using a bottle of Ayer's Hair Vigor it became black and glossy."
