PRESEVTERY OF LINDSAY.—An adjourned meeting of the Lindsay presbytery was held on Tuesday in Knox church, Cannington. The call extended to Rev. E. Cock; burn, M.A., by St. Andrew's church, Orangeville, was declined by him. Intimation was received by the clerk that the united charge of Markdale and Flesherton had extended a call to Rev. W. S. Mills, B. A., but as it was not to hand no action was taken in the matter. After hearing all parties concerned the resignation of Rev. A. Currie, M. A., of the pastoral charge of Sonya was accepted, the members of the Presbytery testifying to the high esteem in which they hold their brother and expressing regret that ill health had rendered it necessary for him to retire at least for a time trom the active ministry. Mr. Currie has labored for over twenty-one years at Sonya, and certainly has well-merited the esteem and good-will of his people, who, no doubt, will in due time give him some tangible proof thereof. His resignation takes effect on December 31st. Rev. W. G. Mills was appointed moderator of the yacant congregation. The presbytery adjourned to meet at Uxbridge on January 29th, when the call to Mr. Mills and one to Mr. Cockburn from Dumfries-st. church, Paris, are to be disposed of.

AN OPPORTUNITY. — A few fine centre tables are marked very low at LENNON'S Auction Mart, Lindsay.—28-2.

COUNCIL PROCEEDINGS.—The council met at Mr. McRae's hotel on Saturday to transact business for the last time this year. A great many ratepayers were present. Mr. McRae urged the council to try on nom ination day to have the council put in by acciamation and save expenses of an election. At all events there will be a triangular opposition for the reeveship. Mr. Stabback, Mr. Hugh McKenzis and Mr. Lauchlin Gillanders will be in the field for the honors of reeve. Mr. McRae gave the old council agrand oyster supper. All present enjoyed themselves immensely. All expressed sorrow at parting with our present reeve, Mr. McEachern, who is not going to run this year.

PERSONAL.—Dr. John Grant paid us a flying visit last week having been for the last three months attending one of New York's medical colleges, where he passed with honors. He has taken a practice in Durham, and no doubt will be a success as his medical course all through was a rilliant one.

Stock Shipped — Mr. Nicol Weldon ship.

STOCK SHIPPED—Mr. Nicol Weldon shipped one of the finest mixed car loads of fat stock last Friday which left this station for years. They were fed five by Mr. Colin Campbell, two by Dave Evans, three by Mr. D. McIntyre, hotel-keeper, but to crown them all Mr. D. C. Ross, Mariposa, brought a heifer which weighed 1500 ibs. Such animals as this one does not only credit to Mr. Ross alone but to Mariposa at large. Mr. Weldon says she is on her way to England, as he sold her at once to cross the ocean.

EFFORTS APPRECIATED.—The Christmas number of THE POST was welcomed with delight, and the efforts of the editor to furnish a Christmas treat each year are

DEBATE ON LOWERING THE LINDSAY DAM.—The entertainment at the mutual improvement class on Saturday evening was a debate, the subject being, "Would it be a benefit to have Scugog lake drained." Mr. Frank Emerson and his side contended that the lake should be drained, while Mr. H. Davey and his followers took the opposite side of the question. Mr. Emerson's side produced the most effective arguments and were given the victory by the umpire.

PUBLIC EXAMINATION.—Our esteemed teacher, who has been here for five consecutive years, gave a public examination on Friday last. Many visitors attended and all were pleased by the proceedings. Mr. Birchard goes to Little Britain for next year. He carries with him the respect and best wishes of this neighborhood. At the close of the examination the scholars presented Mr. Birchard with an address accompanied with a shaving case and inkbottle and pen. Following is the address: Dear Teacher,—As the time of your departure has come we, the scholars of this school, feel sorry to lose such a friend. During the past five years the tie of affection has bound us together as teacher and scholars; and we do not wish this tie to be severed, so we ask you to accept this shaving case and ink bottle as a small token of our regard for you. We all hope that in the future you may be successful in your endeavors and look back with pleasure on the time spent at Valentia.

The High School, Who was it raised the high school fuss, And got the council in the muse; And would make the people pay the bill, To please a few on Oakwood hill?

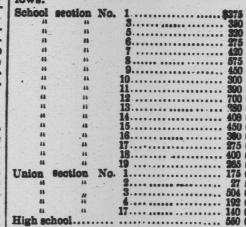

Who was it took the manly stand, And did not fear to show their hand: And fought the boisterous, selfish crew, This by-law nuisance overthrew?

Who are the people that did say, "If they law you, fight your way;" And when the battle grew quite hot They said they'd vote against the lot?

Who will be loyal and also true, To see this worthy council through: Whose principles are right and just. For they are the men that we can trust? We'll soon know.
