DESCRIPTION.

PEDIGREE.

Paulus was imported from France in Oct, 1888. by M. W. Donham of Wayne, Illinois to Ontario by his present owner.

Paulus is three years old: a jet black with a good set of feet to carry him; stands 16] hands high, and weighs about 1,900 pounds. He has a close family connection with Mr. Dunham's Brilliant, which stands at the heed of his Stud for service at \$200 per mare, and has won the savesptakes prize over all breeds. Paulus is also very closely connected with the celebrated stallion, LaFerte, which gained the sweepstakes prize over all breeds at Chicago fat stock show in 1883, and many others of the most noted horses of France and America.

Paulus is without doubt one of the finest colts of his age ever imported from France, and cannet fail to be one of the best stock-getters ever imported into the Dominion of Canada.

He can be used at a reasonable price.
