

# OUR MID-SUMMER SALE.

## WE HAVE DECIDED TO HOLD A MID-SUMMER SALE Commencing with the Twelfth of July and lasting till the First of August.

Our object in placing our large Stock for sale on the Market just at this juncture is owing to some business arrangements we are about to enter into which will require **SEVEN THOUSAND DOLLARS [\$7,000]** more than we would realize in the ordinary routine of business, and in order to realize our wishes we have decided to offer our entire Stock at prices that will commend our efforts to the public; and at the same time give those who have ready money one of the best opportunities to avail themselves of goods purchased for the least money that has ever been offered.

In buying our Goods our advantages are **THE BEST**, and we claim that all Stock contained in our large Stores has been purchased in a more advantageous market than any similar concern in the Trade. . . . **THIS SALE IS BONA FIDE**—it is not gotten up to take us out of a tight corner; but we want to realize a certain figure by the First of August, that we may be still in a better position to make your future dealings with us of a more interesting nature, and in responding to our **MID-SUMMER APPEAL** you will be assisting yourselves for the present and future.

## TO BE REMEMBERED

BRITTON Bros. make a special study of fitting Spectacles, and have complete apparatus for testing the sight. No matter how good or perfect GLASSES may be they cannot be satisfactory unless suited to the wearer. In order to secure the best results, to preserve the sight, to prevent as far as possible all hurtful strain upon the visual nerves and muscles, the lenses should be perfectly adapted to the eyes. This cannot be done without a knowledge of the principles involved. We have made a special study of this subject for several years, and offer advantages as to the scientific fitting of spectacles that are not obtainable outside of the larger cities.

Bring your watch, jewelry or clock repairing to us. We do strictly first-class work, and our prices are as low as that class can be done for. We are both practical workmen, and guarantee all work entrusted to us.

**The A. C. A. Meet at Stave Island.**

The tenth annual meeting of the American Canoe Association, which is to be held at Stave Island, below Ganabago, from August 10th to 22nd, promises to be the best known in the history of the organization. **The A. C. A. and the Civic Holiday.**

(To the Editor of THE POST.)

SIR,—I see by posters that the Grand Trunk railway will run a very cheap excursion to the Thousand Islands on Wednesday, August 7th, next. The fare from Lindsay is to be \$5.75 only. As the American Canoe Association meets on one of the Thousand Islands in the beginning of August, this excursion will enable a great many of our citizens to visit the A. C. A. camp and see the Thousand Islands at a remarkably cheap rate, and I would suggest that our civic holiday be held on the 7th August so that we can avail ourselves of this opportunity to get a breath of fresh air.—Yours etc.,

CITIZEN.

**Newham in the Highlands of Malheur.**

The above popular summer resort, managed by Mrs. Stewart, is filling up rapidly, and the series of entertainments have been commenced in the pavilion. A large carnival ball took place Friday evening, and many theatrical guests were performed. Among the summer guests now at the hotel are:—Mr. and Mrs. McKean of Hamilton; Mr. A. D. Stewart and family, Toronto; Mr. and Mrs. Bovier, Youngstown; Mrs. Phillips and family, Toronto; Master Percy Brown, Toronto; Mr. Geo. Mussen, Toronto; Mr. W. Traves, Port Hope; Dr. White and family, Mrs. Bellie, nurse and family, Misses Marton, Dr. Lansley, Smith's Falls; Mr. McNeilly, Miss Sarah Wilson, Toronto, and many children. All recreate in the Highlands.

**Local Brevities.**

—Rooms to rent over Carter's; suitable for offices. Apply to Mrs. KENNAN.—52-11.

—Improve the nutritive functions of the scalp by using Hall's vegetable Sicilian Hair Renewer and keep the hair from falling and becoming gray.—60-1.

—The ladies auxiliary society of the Cambridge-st. Methodist church will hold a garden party next Monday evening, August 5th, in Mr. Elias Bigelow's grounds. Music and refreshments.

—The Catholic literary association excursion to Boboygon on Tuesday was very well attended, about three hundred making the trip. A shower of rain in the afternoon put a damper upon the pleasure of the party for a time, and luckily it did not last long. Dancing was kept up with unflagging zeal the whole way home.

—It is hardly worth while noticing it, but last some people should (because it is not denied) believe the Warder lies that the employees of the Post are not allowed to strike. A most other loyal procession when passing up street, we may say it is another of Sam's lies. The employees of the Post are not in any way restricted in that or any other sense. What aces!

—The annual picnic of St. Paul's church Sunday school took place yesterday (Thursday) at Boboygon park, per seaman Alton-Eichel and police charge Lindsay. The weather was cool and pleasant and a large number took in the trip even in the evening. A most enjoyable time was spent. The return trip was made at an early hour.

—Mrs. R. Leary, wife of Mr. Richard Leary, the well-known grain merchant, met with a very painful accident on Thursday last at Indian village, near St. Paul's church grounds. As she was walking up the bank it tilted up and she was thrown with considerable force against some logs resting in the bank, and she was hurt. At first the injury was thought to be nothing more than a severe bruise. Many friends hope for her speedy recovery.

**Hold-Neight** for files at HIGNOTHAM'S.—60-4.

**Samples** of Everyday's Soap, free at HURLEY & BRADY'S.—51-11.

**Do Not Allow Your Thoughts to Wander** into oblivion, but remember that HURLEY is offering the biggest bargains in Ready-made Clothing, Hats, Caps, etc. ever offered in the county.—50-11.

**Tenders** for the erection of a Brick Block on Queen's Square, opposite Market house, will be received until Friday, 9th inst. Plans and specifications can be seen at R. SMITH & SONS', Lindsay, Aug. 1st, 1899.—60.

**A Garden Party** will be held in the beautiful grounds of Elias Bigelow, etc., on Monday evening, August 5th under the auspices of the Ladies' Auxiliary Society of the Methodist church, Cambridge-st. Refreshments will be served and a band will be on the ground. Admission, 10 cts. Gates open at 7:30 p.m.—50-1.

**Local Brevities.**

—Council meeting next Monday night.

—Machine Oil, Seal, Olive, Castorine, Black and Castor Oil for repairs. Buy from E GREGORY.—60-4.

—A good parasol and handkerchief left in Hignotham's store. Owners can have them by paying for this ad.—50-11.

—Persons wishing to improve their memories or strengthen their power of attention should read Prof. Loebner's, 257 Fifth avenue, N. Y. The book is being cheaply sold, as advertised in another column.—50-11.

—Attention is directed to the advt. of the Hamilton ladies' college in another column. It is an admirable institution of its kind. Particular attention is being paid to the musical department with the view of making it

—Mr. John Kells, our enterprising builder and contractor, has, at the corner of Glasgow and St. Lawrence, south ward, two beautiful brick residences in course of construction, and is public operations at a lively rate. The buildings are already well advanced. This is one of the most desirable locations in town for first-class residences.

—Mr. T. McConnell of the Royal hotel is making arrangements for the summer season, and with the approbation of all related travellers, he has arranged for the most comfortable and lighted citizens and hungry people generally. The bar is being changed to the Kent-front, giving much more room, and where it stood will be placed a refreshment counter in city style, with high stools in front and glass cabinets at the back for the display of various tempting viands.

—We understand that several letters have been received by Mr. Mallon from manufacturers with regard to the liberal offer made by him some time ago of several valuable building sites on the east bank of the Sturgeon river, near the old paper mill site. The last letter of enquiry, dated July 30th, is from the proprietor of a large saw-mill, who are thoroughly cognizant of Lindsay's advantages as a shipping point, and they would be glad to bid before the town council at its next sitting.

—Mr. W. Eyles of Mariposa has two acres—part of a large turnip field—in which he has sown a crop of turnips. This, it is said, increases the size of the turnips, and is the wisest plan to feed them in winter, the woody fibre furnishing fuel, so to speak, to warm the cattle. At least on a large scale it is the wisest plan to feed them so when the court so orders.

—The garden party given by the Citizens' band Friday evening on the grounds of Mr. Wm. Foley, Victoria ward, was not favored by a large attendance of citizens, despite the efforts made by the band and the large number of friends to make it a particularly enjoyable affair. The grounds were prettily illuminated, and the music was excellent, and the pleasing manner and winning grace of the young ladies presiding over the refreshment tables would tempt the most careful dietist to exclaim, "Haag digestion." But the crowd game out. One reason for this is that the grounds are too far from the centre of the town, and another and more prominent one is that the weather was not very pleasant.

**F. P.**

Fly Paper, Fly Pads, Fly Powder, the best at HIGNOTHAM'S drug store.—60-1.

**Everyday's Soap.** The best. Try it. HURLEY & BRADY.—51-11.

**Card of Thanks.**

—Mr. W. Graham, manager of the Oakwood cheap store, has, we learn, been laid up with a cold, and will probably be absent for some time.

**Church Notes.**

—Rev. Edwin Daniel, B. A. of Rosemont, county of Simcoe, has been offered the rectory of St. John's church, Port Hope, by Bishop Sweetman and has accepted.

—Rev. Dr. Williams will conduct the quarterly services in Cambridge-st. Methodist church on Sunday, Aug. 14th, at 10 o'clock. The lecture room at 9:30 a.m. Sacrament of the Lord's supper in the evening.

—The regular monthly meeting of the Church of England Temperance Society was held on Monday evening, the 28th inst., in St. Paul's school. A very interesting address was given by Mr. R. H. Holland of Port Hope.

—Rev. J. F. McLaughlin, a professor on the staff of the Hamilton ladies' college, preached two able discourses in the Cambridge-st. Methodist church for this year on the 1st and 8th Sunday morning. Love feast commencing at 8 o'clock, at 11, followed by the sacrament of the Lord's supper. Everybody made welcome by the pastor, Rev. Geo. W. Dowry.

**Camping Notes.**

—Messrs. J. MacDonnell and W. Tyrrell are camping at Sturgeon Point, and are provisioned for one month. They went to considerable pains to procure a sufficient quantity of aromatic, non-rheumatic pine tips to underlie their sleeping places, but to camp beds for them. No air!

—The Y. M. C. A. camping party at a new camp established at Sturgeon Point, a portion of the whole. They left Monday morning, some of them proceeding by way of Port Hope to the "cannon" (the distance in order to feast their eyes upon the beauties of Pigeon and Buckhorn lakes, and inspect the government works at Buckhorn and Burleigh).

—Mr. John McMillan, the popular cutter at Dundas & Flavelle Bros., and family are camping at Sturgeon Point, and intend remaining about two weeks. John is a great fisherman, and the large takes made up to date stand in considerable jeopardy. When he reports that he has landed a 30-pounder those who know him will readily accord his statement as being "all wool and a yard wide," and the dimensions given as constituting "just a slug of it."

—A well-equipped newspaper camping party left town Monday morning for Gull lake. It was officiated by Adam Fordyce Barr, sporting editor of THIS POST, with Harry ("Dope Jinks") Farrer, son of the editor of the Mail, as lieutenant, and the treasurer of the U. C. C. Times, Toronto, as chief of commissariat. They were heavily armed and "loaded for bear" or chipmunk. They expect to beat the record of the New Yorkers in this respect, as printed by the venerable Archie in THIS POST two weeks ago. Friends in Toronto and Lindsay are in expectation of enjoying some evidences of their skill at rod or gun.
