The anniversary services in the First Methodist church, Cambridge st., on Sunday and Monday last, were very successful. The congregations, notwithstanding the inclement weather, were good. The Rev. Dr. Spier delivered two sermons on Sunday, which will not soon be forgotten by those who heard them; their pathos and power were wonderful. The old Methodist doctrine of purity of heart was impressively insisted upon, and illustrated in a striking manner. The Rev. Dr. Spier's sermon Monday evening was an excellent one. He treated the three great streams which fed the springs of the love of God, the love of man, and the love of self. His illustrations made his points clear and luminous. Laughter and tears chased each other over the faces of the listeners from the beginning to the end of the lecture. While the audience was gathering Mrs. Church gave a most excellent musical selection, and Mr. Church added to the interest of the occasion by an excellently rendered solo.
