DEPUTY REEVESHIP.

To the Independent Electors of the Town of Lindsay,

LADIES AND GENTLEMEN. At the urgest temest of a large number of the electors I have consented to effor myself as a candidate for Deputy Reevenip for the year 1890. Should I be elected I will, to the best of my ability, perform the duties entrusted to me. My record for seventeen years as a councillor is before you, which must be my recommendation. If you think me worthy I shall be grateful for your rate.

THE MAYORALTY. To the Ratepayers of the Town of Lindsay.

GENTLEMEN. Heving heard some weeks ago didates for the Mayoralty of the Town, one of whom I was informed was actually convesing, I requested it to be publicly stated that under the circumstances I would not be a canddate for that office. Since then, however, one of the aspirants mentioned, as well as a large number of the ratepayers, many of whom supported me at the last municipal election, besides Many who did not do so, have strongly request-ed me to allow myself to be sominated again for the office of Mayor. As I could not in courlesy refu-s, I have been no sominated. I have so other object in now soliciting your suspers for that position than to be better able to advocate and adverses the interests of our town in which I have so large a stake.

club is rapidly being finished under the pushing credit to Mr. Sadler, who has been unremit credit to Mr. Sadler, who has been unremitting in his attention during the time the building has been under way. The outside dimensions are 180x75, the ice dimensions being 60x162. A five-foot platform for promenaders runs entirely round the rink outside the ice-space. The floor is laid with two-inch plank dreesed, and from the floor to the highest point of the roof is forty-two feet. The roof has a steep incline, so that the walls around the rink have a height of eight feet. The timbers used are of immense size and the structure has every appearance of great strength. There are to be large dreesing rooms for ladies, gentlemen and boys, with refreshment room above. The promoters are deserving of much credit for the enterprise and energy shown in the prosecution of the undertaking, which is a reproof to those who point to lack of enterprise in our townspeople. The rink will of course he subject to rules and regulations which will be strictly enforced, so as to secure for all pleasure and enjoyment. Mr. F. C. Taylor was elected secretary-treasurer, which beepcake prudent management on a business basic of the duties of the office. Mr. John A. Barron was elected president and Mr. John A. Barron was elected president and Mr. John A. Barron was elected president and Mr. John A. Flavelle vice-president. The rules and regulations will be issued at once. as the rink is expected to be roady for skating by Monday. The grand opening will take place on the night of the lith January, when a grand masquerade carnival will he given. - Trapehooting on New Year's day was not a success owing to bad weather. Plenty of birds were on hand and a good forenoon's sport would have been certain had the weather turned out fair. As it was Mr. Sid. Smythe led the score by winging four birds out of five—an exceedingly good average.

- On Monday last Mr. D. C. Trew shipped to the Bowman ville poultry show some seventeen birds, consisting of Black Cochine, Plymouth Rooks, Houdans, White Leghorns and Black Hamburgs. Several of these birds are prominent prise-winners, and one captured first honors at the recent poultry show held in September last.

- Many passers by have stopped to admire the fine specimen of the bald-bended eagle family now on exhibition in K. Gregory's window. It was shot by an Indian north of Haliburton and was purchosed by Dr. Giles of that village, who had it prepared by a Toronto taxtdermist and then forwarded it to Dr. Burrowe as a Christmas gift. The spread of the wings from tip to tip is 6 ft. 7 in , and the talons are long and very sharp.
