purposes.

A astrogram states that Hon, Henry Boyle has left England in search for his eldest brother, Viscount Boyle, now the cert of Shannon by the recent death of his father. Theoughtbyle was an officially but resigned and came to this bounts; is 1882. After a term in the Ontario business collect he was a ranche near Malind, Alberts, and was elected to the Northwest council in 1885, and sat its one term of two years. Bis ranche agreemanties not having succeeded, he sold out and left the country, and here all trace or him appears to end as far as Canada is concerned.

—A London cable says: Regiond was noting with much interest a formighteero

be sold off and the country, and here all trace or him appears to end as far as a Canada is concerned.

—A London cable cays: Eagland was soting with much interest a feedinghear of the Eaglish navy and the German army fighting side by side. Emotions have changed a good deal since, at least here in Eagland, and very disagreeable things are being said about the Germane in general, and Emin in particular. It is easy to understand, and even to share, this national if feeling of disguet at Emin's behavior. He says now that he never desired to be rescued, but his letters are here in London begging not to be left to die as Gordon was. A white ago there was considerable sympsthy for Emin, and even a disposition to question it and the German is now spoken of only as an ungrateful raffism, upon whom better men unfortunately wasted much time, treasure and human life. This increases the tendency to look upon Stanley's book as the rusi result of the expedition, and will add greatly to the fervor of Stanley's book as the rusi result of the expedition, and will add greatly to the fervor of Stanley's book as the rusi result of the expedition, and will add greatly to the fervor of Stanley's book as the rusi result of the expedition, and will add greatly to the fervor of Stanley's book as the rusi result of the expedition, and will add greatly to the fervor of Stanley's book as the rusi result of the expedition, and will add greatly to the fervor of Stanley's book as the rusi result of the expedition, and will add greatly to the fervor of Stanley's book as the rusi result of the expedition, and will add greatly to the fervor of Stanley's reception, indeed, bids fair to partake largely of the nature of an anti-German demonstration, and it expect many things to be said which will provoke coolness between Berlin and London. There has all along been much indignate and the standard provides and the standard provides coolness between Berlin and London. There has all along been much indignated to the standard provides and the standard belp Major Wisemann enforce will be deresty contested by the English. There is really a great deal of danger of a rupture between the two countries about this

MIDLAND DISTRICT NOTES,

—A merchant near Kingston bought a roll of butter from a farmer, and on cutting it found inside a stone six inches long, three inches wide and two inches thick.

-"I have several customers who have some small bills at my store and have cessed to trade with me, and have apparently forgotten to pay their old accounts. ently forgotten to pay their old accounts. To such I would say that I have decided to collect through the division court at Whitby, unless paid in a very few days." An O-usews merchant gives the above notice in his town paper. How many merchants have the same experience as this one? Nearly all, the Uxbridge Journal ventures to say. People will run an account and gradually get behind in payment, and then go and pay cash at some other store instead of doing all the cash business they can with the man they owe. The unfortunate merchant loses the customer as well as the account. The Journal would not say all persons who get into debt are dishonest, "but it is certainly dishonest to pay their cash in another store when they can get the same goods for cash from the man they owe. By giving him their cash custom they are doing some-thing towards lightening the burden they have put upon him with their credit sys-

THE BENWELL MYSTERY.

Pickthall's Strange Story—He Explains the Cause of His Mysterious Disappearance from Woodstock, and His Subsequent Actions.

Mr. Neville H. Pickthall, who returned

to Woodstock a few days ago, when asked

if he desired to make an explanation of his peculiar actions, replied: "Certainly I do; here is my story: I left Weodstock en Monday, February 10. Our train stopped for five minutes at Niagara Falls and I got eff on the station platform. I saw Mr. Van Ingen of Woodstock. I went through to peasants rose in a body and beat nearly to death the tyraunical young district governor whom the cast had sent down to rule the place. Sininter importance attaches to this news, because it is the first time in the cast because it is I took the train for New York, arriving some time sext morning. Un one occasion in New York I thought I recognized Mrs. Burchell in the Metropolitan hotel, but was not sure about it. Since, however, she is said to have seen me there I feel self is nearly fit to die, what with his state of rage, terror and genuine dismay at the titanic muddle he has get thing into. His titlanic muddle he has get thing into. His tillaces is accribed publicly to a recurrence of la grippe, from which he soffered a good deal during the winter, but there is a great number of reports furitively spread about he having been poisoned, and elibera profess to know that his nerves and smeatabalance have completely colleged under the strain. He is not this year going to Gatchine for easter with his family, and the departure from his inverteble rule at track a great attention. Of course it is an enough to fill the public mind with the terror of a new and desported cubrest of a my train. I was disking then and must have really with the case. He has had almost the worse the wister males, and desported cubrest of a my train. I was disking then and must have public mind with the terror of a new and desported cubrest of the mought be filled in the public mind with the terror of a new and desported cubrest of the mought be fill the public mind with the terror of a new and desported cubrest of the mought be filled in the public mind with the terror of a new and desported cubrest of the mought be filled in the public mind with the grown of the mought be filled in the public mind with the grown and treatment in the contract of the filled in the case. He has he worse the wister have been an interesting the worse of train now, and it is immeasible and a stances parter of train now, and it is immeasible and the case of the proposality of the public mind with the grown of train now, and it is immeasible and the case of train now, and it is immeasible to see a stance of train now, and it is immeasible to see a stance of train now, and it is immeasible to see a stance of train now, and it is immeasible to see a stance of train now, and it is immeasible to see a stance of train now, and it is immeasible to see a stance of train now, and it is immeasible to see a stance of train now, and it is confident that I saw her, I did not see of rage, terror and genuine dismay at the Burchell. Indeed I would not have known

in the vicinity of Linday; they were well-behieved young men, requier in their attendence at church and all that. The statement that they 'lived in a minerable but to a ridiculous falcaheed, for they resided with Mr. Then, Winter, a respectable men, a propressive farmer, and a men who possesses more than ordinary advantages in she way at education, and whose house was undoubtedly as countivities a farm-bosse as you would see in e day's trayel. These two gentlemen, like hundreds of others who come out here with the intention of farming, soon discovered that the practical kind of agriculture required in Canada was unsuited to their testes. So, about the time, or a little before the Northwest rebellion, in 1885, they both left Victoria county, it was understood, to go to the Northwest.

'Of Mr. Rawlings I heard nothing after, but Mr. Hegbie was known to have joined the Northwest mounted police. I saw it stated in an evening paper that he had deserted from the service, and my information leads me to believe it is correct. Mr. Thos. Winter, who still resides in the county of Victoria, and whose post office address is Coboconk, can no doubt give further information regarding both gentlemen. The mother of Bagbie communicated with Mr. Winter a few months ago, enquiring about her son. In her letters were always returned by the Northwest mount.

Brechin Mineral Water. Mr. L. Forrest, DEAR SIR,-Allow me to state that I have been greatly benefited by the use of the "Brechin Mineral Water." For 12 years I have been troubled more or less with gravel, so bad at times as to require an opera

gravel, so bad at times as to require an operation, also with constipation and piles for a number of years, as well as catarrh and inflamed eyes. The use of the water has a. much relieved me and improved my health that I believe if continued it will effect a permanent cure.

Yours respectfully, H. S. Thompson.

Declaration,—I. Henry S. Thompson of the village of Brechin, do solemnly declare that the facts as set forth in the above testimonial are true in every particular. H. S. Thompson.

Signed and declared before me at Brechin, this ich day of December, 1889. W. R. Mc-Pher.commissioner for taking affidavita.—Si-tf.

R. F. MORROW

Nov. 18, 1889.—76.

DENTIST, OFFICE OVER CHINA HALL, PETERBORO.

By the aid of the new Hydro-Carbon Gas Furnace he can make indestructible porcelain fillings and restore broken and decayed teeth to their original shape, contour and color. By this process old roots can have porcelean crowns attached; consequently there is no mate required. plate required.

Gas, Vitalized Air, administered with great Gas, Vitalized Air, administered with great success for nearly 23 years, extracting teeth for thousands of persons without a particle of pain. He uses the latest approved appliances for administering the Gas. He studied under Dr. Colton of New York, the inventor of gas for extracting teeth, who has given it to over 160,000 persons and act a fatal case.

Mr. NEELANDS uses Ball's Local Anaesthetic for extracting teeth. He is now using a new style of forcep which he had expressly manufactured while on his last visit to New York, which removes the teeth without danger of injury to the gums or jaw, the gums healing up beautifully in a few day, and no consequent trouble. Artificial Teeth inserted on all the popular bases and by the most approved styles and appliances for their retention and comfort, Numbers of persons are wearing teeth made by Mr. Neelsnds over 20 years and never required repairs. Prices from \$10 to \$5.5 never required repairs. Prices from \$10 to \$25 for an upper or under set. Persons from a distance will please send postal card before coming. Office, Kent-st., Lindsay, nearly opposite Congress Hall. Lindsay, Oct. 21, 1889.—72.
