-Many breeders in this district will be pleased to learn that Mr. James H. Wilson of Lifford has, with his usual enterprise and dash, again added another fine animal to his collection of equine sires. This time it is the majestic four year old Yorkshire Cach stallion Marmion, (1116), bred by Mr. Christopher Bower, Pickering, Yorkshire, England, and imported in 1888 by the Barrett Bros. of Manchester, Ontario. Marmion is a powerfully built animal, standing about 16½ hands high, and will weigh 1,500 lbs. In point of breeding he certainly ranks high, being by Salesmam (417), dam by Emperor (145), and traces back twice to the celebrated Bay Richmond, and once to the equally great progenitor known as the Boye's Horse. Marmion is a good bay, possessing superior action, and with his weight and handsome conformation should, and no doubt will, attract a large share of patronage. An inspection of this animal is

about their great catches had better be careful.

—At the sale of thoroughbreds at Beile farm, Tennessee on Wednesday, the celeb stallion, Luke Biackburn, was sold to Ge Jackson of Nashvills for \$21,000. Iroquois sold to the same purchaser for \$34.000.
