## High-Pressure

Living characterises these modern days. The result is a fearful inchase at Brein and Heart Diseases — General Debility, Incomaie, Paralysis, and Insanity. Chloral and Morphia augment the evil. The medicine best adapted to do permanent good is Ayer's Espaparilla. It purifies, enriches, and vitalizes the blood, and thus strengthens every function and faculty of the body.
"I have used Ayer's Barsapartila, in my family, for years. I have found is invaluable as

for Nervous Debility canned by an inactive liver and a low state of the blood." - Henry Bacon, Xenia, Ohio.

"For some time I have been troubled with heart disease. I never found anything to help me until I began using Ayer's Sarsaparilla. I have only used this medicine six months, but it has relieved me from my trouble, and enabled me to resume work." - J. P. Carranett, Perry, Ill.

"I have been a practicing physician for over half a century, and during that time I have never found so powerful and reliable an alterative and bloodpurifier as Ayer's Sareaparilla." - Dr. M. Maxstart, Louisville, Ky.

CAUGHT AT LAST.—It will be remembered
that a year ago last January a young
chap called Byers was convicted and senteneed here for stealing peas from the barn
of Mr. Ed. Pascoe, East Whitby, He stated that one Quigley from near Pascoe's
had been his accomplice in the matter. Byers was sent to jail for a term and Quig-ley escaped arrest, and was no heard of by the authorities since until Monday last. Ou that day he and a brother of his met Byers in lown here and proceeded to puinmel him for giving the pea story away.

Byers had a warrant issued and Constable
Calverley nabbedia Quigley who was drunk
here Wednesday night. However, fearing it was the wrong one he salited off to East Whitby Wednesday morning and succeeded in getting the right man after a chass with his revolver. Quigley was sent up for trial for stealing peas. - [C tronicle.

By the aid of the new Hydro-Carbon Gas Furnace he can make indestructible porcelain fillings and restore broken and decayed teeth to their original shape, contour and color. By this process old roots can have porcelean crowns attached; consequently there is no

Gas, Vitalized Air, administered with great success for nearly 23 years, extracting teeth for thousands of persons without a particle of pain. He uses the latest approved oppliances for administering the Gas. He studied under Dr.Cot ton of New York, the inventor of gas for extracting teeth, who has given it to over 160,000 persons and not a fatal case.

persons and not a fatal case.

MR. NEELANDS uses Ball's Local Anaest thetic for extracting teeth. He is now using a new style of forcep which he had expressly manufactured while on his last visit to New York, which removes the teeth without danger of injury to the gums or jaw, the gums bealing up beautifully in a few days and no consequent trouble. Artificial Teeth inserted on all the popular bases and by the most approved styles and appliances for their retention and comfort. Numbers of persons are wearing teeth made by Mr. Neelands over 20 years and never required repairs. Prices from \$10 to \$65 for an upper or under set.
