Saving Resources in Harpison.

The boys at the west end have been concerned at the sudden interest in the fowl trade displayed by a well-known tory artificer in wood and iron. He has been trying to purchase a game rooster out in Harpison with the view of making a reform vote a. r. for Crum. The boys on the square tell Donald he is not judicious for the money bill is not a law and fowl trade will decline and he will have a stock of roosters left on his hands. But Donald is not discouraged and he will get the rooster yet and will call him Robinson. The reply to the query why give it that name is: "Because it crows ok."

Obituary.

General sympathy was expressed in town when it was learned Monday that Mrs. Greer, wife of Mr. J. M. Greer, who resides on Williams-st., north ward, had passed away the day previous. The head of death has afflicted the family early during the past few months, and the death of Mrs. Greer is a great loss to the family. The funeral took place Tuesday at Riverside cemetery, and was very largely attended.

It is our sad duty this week to chronicle the death of Mrs. Wm. East of Ops, sister of Mr. Richard Spratt of two years. She died at her home in this town, which was held on Saturday last, and the result of a severe attack of grippe during the winter and which had been in her system for some time. She was 70 years of age and had lived in Lindsay for many years. She was a very kind and generous woman and was well known to all who knew her. Her funeral took place Tuesday morning at St. Mary's church, when a requiem mass was sung, at which the following priests assisted: Rev. Fathers Tobey, Kingston, Cass, Campbell, Fether, Rutkin, Peterson, P. D. Laurent and Volant. The Rev. Father, Kingston, officiated. The Rev. J. Spratt, Toledo, Ont., T. J. Stewart, Wain Island; the two last named gentlemen being brothers of the deceased. The funeral cortege was a very large one.

Death has been very busy of late in our midst, and it is now our painful duty to have to record the death of Missie Curtis, fourth daughter of Mr. Patrick Curtis of Ops, at the early age of twenty-two years. She died at her home in this town, which was held on Saturday last, and the result of a severe attack of grippe during the winter and which had been in her system for some time. She was 22 years of age and had lived in Lindsay for many years. She was a very kind and generous woman and was well known to all who knew her. Her funeral took place Tuesday morning at St. Mary's church, when a requiem mass was sung, at which the following priests assisted: Rev. Fathers Tobey, Kingston, Cass, Campbell, Fether, Rutkin, Peterson, P. D. Laurent and Volant. The Rev. Father, Kingston, officiated. The Rev. J. Spratt, Toledo, Ont., T. J. Stewart, Wain Island; the two last named gentlemen being brothers of the deceased. The funeral cortege was a very large one.

First term—Geography—E. Broad, Miss Hazelton, M. Ritchie.

—The teachers and pupils of the collegiate institute intend having a school excursion to Washburn's Island on Saturday, June 7th. The public are invited. Full particulars next week.

Military Notes.

—The "spoon competition" every Friday afternoon at the association range near the Catholic cemetery is much enjoyed by the contestants, who are divided into first and second classes of five each, winners of spoons in the second class being promoted and their places taken by unsuccessful members of the first class on the progressive encher plan.

—The locations of the Ontario drill camps were decided at Ottawa on Tuesday. The volunteers of districts 3 and 4 will be at the Lindsay companies, will camp at Kingston. Young men of good character and physique intending to join should apply at once to Lieut. A. J. Williamson of Company 6, there being a few vacancies for promising recruits. Volunteers will leave for camp about June 17th.

—The first match of the newly organized Canadian Military Rifle League was held on Saturday, May 17th, forty-two teams of men each competing at different points in Canada. The 15th batt. entered two teams, Lindsay putting one in the field. The score was 100-100. Shooting is supposed to take place at 200, 300 and 600 yards despite unfavorable weather or other unfavorable circumstances. By a special concession the Lindsay men are allowed to make their points on Friday, the regular Monday via the C.P.R., giving the score made by every squad competing and the condition of the weather at the time of shooting. The score made by the Lindsay men was 600, securing them eleventh place—an extremely creditable showing in view of the absence of one of their best marksmen on the occasion. It is hoped that should encourage them to look forward to winning some of the valuable trophies offered for competition.

The 24th in Lindsay.

The 71st birthday of her majesty Queen Victoria was very quietly celebrated in town, as no public sports had been set on foot for the occasion. Large numbers of our citizens visited Peterboro and Toronto; many more availed themselves of the several steam boat excursions to visit Sturgeon Point, Fenelon Falls and Bobcaygeon for the first time this season; but the vast majority elected to remain at home and wait for another occasion to offer something in the way of pleasure more to their liking.

—The excursion to Fenelon Falls, under the auspices of the Protestant Association of Frontenac Boys, was largely attended and a very enjoyable day was spent. The steamer Algonquin and Misses Snow conveyed the excursionists to Fenelon Falls, where they were met by the visitors of the home team, the score standing 10-0.

—Lovers of cricket assembled at the collegiate institute crease about 11 a.m. to witness the match between the St. James cathedral club of Toronto and the Lindsay team. After a substantial and appetizing lunch, kindly provided by the lady patrons, wickets were pitched about 12 o'clock, the visitors going to bat. Under the masterly bowling of Messrs. Milner and Montgomery Toronto's wickets went down like nine pins, the last one falling to a total of 27. The collegiate boys then went to the bat and drove "hot run" the fence until round 40 had been rolled up. Messrs. Matthews and Marsh contributed handsomely. Then the visitors again took the willow, and when the wickets went down 33 hard-earned runs were lying to their credit on the scorer's book, leaving the collegiate with seven to five and eight to win. Porter went to bat and retired some little time after, not out, with 17 runs to his credit, thus leaving the wicket to the Lindsay boys. The match was done by the Toronto men, Bell, captain of the team, coming in for special commendation. For the Lindsay team, the following were present: Porter and Marsh, and the work done at point by the latter, are deserving of praise. Matthews was retired for 10 runs for 17, and Marsh for 10. Before leaving the ground both clubs tendered a unanimous vote of thanks to the lady patrons who supplied the refreshments on the occasion.

The Famous Canadian Jubilee Singers, just returned from an extended tour through Europe, covering five years, are engaged to sing in the Queen-st. Methodist Church, Monday and Tuesday evenings, June 2nd and 3rd. This is undoubtedly the finest troupe that has ever passed through the country. Every lover of good music should make it a point to attend these concerts. Admission—Adults, 15c.; children, 10c.—31.
