High-Pressure

Living characters these modern days. The result is a fearful increase of Brain and Heart Disease - General Debility, Insomnia, and Morphia addiction. The medicine best adapted to permanent good is Ayer's Sarsaparilla. It purifies, enriches, and vitalizes the blood, and thus strengthens every function and faculty of the body.

A Cure

As Nervous Debility caused by an Intellectual and a low state of the blood. - Henry Bacon, Xenia, Ohio. "For some time I have been troubled with nervous debility. I never found anything to help me until I began using Ayer's Sarsaparilla. I have only used the medicine six months, but it has relieved me from my trouble, and enabled me to resume work." - J. P. Carleton, Perry, Ill.

"I have been a practicing physician for over half a century, and during that time I have never found so powerful and reliable an alterative and blood-purifier as Ayer's Sarsaparilla." - Dr. M. Massart, Louisville, Ky.
