There were a large number of guests in the house, some of whom escaped in their night clothes, and others only with what they could lay their hands on. Arthur Bowyer was cut on the hands and side and slightly burned about the face and hands. Two men named Thomas Powers and Herbert Layton were burned to death. Their charred remains have been found. The proprietor of the hotel, John Jackeon, and wife were from home. There is said to be \$4,000 insurance on the burned building. Layton is said to belong to Ottawa. belong to Ottawa.

-Archbishop Cleary on Sunday referred to the vast improvements going on in Kingston and other parts of the diocese and said that he considered it imperatively necessary to raise funds to clear off at once the debts due. For this purpose he had Standard Insurance Company at a rate of the per cent. repayable within twenty years. Dr. Cleary, in the course of his speech, deprecated the practice of picnics and bazzars for raising church funds. He said that from a pecuniary point of view they were failures, as more than half of the receipts were swallowed by expenses, which, if contributed by subscription, would have materially helped the church without taxing the congregation. He also spoke of the aunoyance caused to citizens by the incessant fouring for the sale of the tax for eant touting for the sale of tickets for bezzers and picnics.

-Eighteen years ago there lived with his wife and family within a few miles of Penetanguishene, on the road now leading to the rostal village of Randolph, a French Canadian named Alfred Lamoreau. One day the three year old child was missing. day the three year old child was missing. It was though he had wandered off into the woods. A thorough and systematic search was begun and was kept up for several days, but no trace of the lost child could be discovered. It was feared that a bear had carried off the boy and his parents mourned him as dead. Years passed away and nothing more was seen or heard of the lost child. The parents moved away from that part of the country and went back to near Montreal. Not long since a priest who had charge of a mission and went back to near Montreal. Not long since a priest who had charge of a mission in the Northwest was told by an old Indian on his death-bed that he had eighteen years before stolen a little child from its home near Penetanguishene. HOW THE HEALTH OF ONE OF BELLEVILLE'S CITIZENS WAS RESTORED.

Remarkable Cure of Dropsy and Dyspepsia.

MR. SAMUEL T. CASEY, Belleville, writes "In the spring of 1884 I began to be troubled with Dyspepsia, which gradually became more and more distressing. I used various domestic remedies, and applied to my physician, but received no benefit. By this time my trouble assumed the form of Dropsy. I my trouble assumed the form of Dropsy. I was unable to use any food whatever, except boiled milk and bread; my limbs were swollen to twice their natural size; all hopes of my recovery were given up, and I quite expected death within a few weeks. Northeop and Lyman's Vegetare Discovery baries. AND LYMAN'S VEGETABLE DISCOVERY having been recommended to me, I tried a bottle with but little hope of relief; and now, after using eight bottles, my Dyspepsia and Dropsy are cured. Although now seventy-nine years of age, I can enjoy my meals as well as ever, and my general health is good. I am well known in this section of Canada, having lived here fifty-seven years; and my have lived here fifty-seven years; and you have liberty to use my name in recommendation NORTHROP & LYMAN CO. of your VEGETABLE DISCOVERY, which has done such wonders in my case.

A Medical Triumph! A Very Bad Case! DYSPEPSIA VANQUISHED

> MR. JAMES JOHNSTON, 4th con., 7th lot Amaranth, writes: "Two bottles of N 2. THROP & LYMAN'S VEGETABLE DISCOVERY cured me of Dyspepsia. Mine was a bal case and I had tried a number of other prepara tions without getting any benefit from
