the Peterboro fair poeters eaying that there were \$5,000 in prizes, while f.indesy posters only offered \$3,000. I was surprised for I know that Lindeay always gives better prizes than Peterbore, but to convince myneif I got the Peterhoro prize list and compered the two, and to my surprise I found that Lindeay was shead all round except in hoge; they heat us in that class. Now, Mr. Editor, are the Lindeay directors too modest to let the public know they are soing to give such large prises, or are the Peterboro men striving to deceive the public by advertising twice se much se they intend spending. The following compartive statement of prizes offered in a few classes will apply to the whole list:—
