LINDSAY, FRIDAY, OCTOBER 10, 1890 LINDSAY TOWN COUNCIL.

Regular Moeting Communications - Reports- The Waterworks Contract-The Town Engineer on his Defence.

The town fathers ascembled in the counoil chamber on Monday evening at eight o'clock. Present-Meyor Smyth, Reeve Williams, Dep-reeve Lennon, and Couns. Cahill, Kylie, Herriman, Bryans, Parsons, Brown, Walters, Lack and Crandell.

Minutes of last meeting were read and confirmed, and the following communications were taken up in the order given:

From Moore & Jackson, offering to purchase the safe at present stored in the council chamber, the consideration being \$50 or \$60.—Laid on table.

From E. Gregory, chaltman of central charity committee, asking that the usual grant for charity purposes he made. Reference was also made to the dilapidated cheaper to provide for them in some other manner. He was in favor of appointing a

committee.

From H. Helterf, calling attention to the bad condition of the ditch in front of his store; he claimed that the foundation of the ditch in front of his store; he claimed that the foundation of the claimed that the his building is being undermined by the water. - Referred to street and bridge com-

mittee.
From P. G. Pilkie, asking that a crossing be constructed opposite his residence on King at, cast ward.....It was pointed out that the work had been approved some

from A. D. Ma''on and a large number of other property owners, petitioning against the construction of the Goheen drain. It was claimed that proper notice had not been given the parties interested with regard to it and that a deal of the property liable to be agreemed under the engineer's bulker would not be affected in any way. lieferred to street and bridge

from John Dorgan, stating that as his hotel had now no ilcense, the value had decreased, consequently, a rebate in taxes should be given him.—Referred to the court of revision.

A comunication from Dr. Coulter, medical health officer, addressed to Colonel Descon, chateman of the board of health, was read, stating that he had inspected the Lindsay st. crim and found it in a very unanitary condition. He advised the boar i to have is attended to at once. boar i to have is attended to at ouco.

Accompanying the above was a letter from (13). Descen, stating that in his espacity as chairman of the local board of health he had been obliged to make complaint upon three or four different occasions with reference to the flithy condition of the drain. No action had yet been taken, and the statement of drain. No ac ion had yot been taken, and the responsibility rested entirely upon the council, the members seeming to make a point of ignoring all the recommendations of the board of health. As a protest against their studied neglect of matters pertaining to the public health, he tendered his resignation as chairman of the board. After some little discussion communicators was received and fyled.

CHIEF CONSTARE'S REPORT. Chief constable Hell's report for September was read by the clerk. The fines collected amounted to \$11.95. -Referred to

SANITARY INSPECTOR'S REPORT.

ANTARY INSTRICTORS REPORT.

Aff. II. Hughes, sanitary inspector, presented a short report stating that the drain itowing through the western part of the sown was in a very unhealthy state, as was also the landsay at, drain. In view of the fact that the new sewer to replace the latter would not be constructed this fail he would advise that excavations be made at the end of each sleaper in order that the filth accumulated might find an outline. At present the health of the town in excellent, only one case of a con-tagions character being reported.—The report was received and fried.

THE WATERWORKS CONTRACT. Mr. Hopkins, town solicitor, thes introduced the subject of the waterworks contract. He had had considerable correspondence with the ilrm of Waltman, Keith & Co., the applicants for the charter, and several meatings with their representative. The draft contract submitted

MARKET COMMITTEE REPORT. Coun. CRANDELL, chairman, presented a report recommending that John Fleury be allowed to purchase on the market in accordance with the provisions of the bylaw; that fly-sheets be distributed announcing the market opening on Saturday; and that additional shed-room be provided for cattle.—Adopted.

THE REPAIRS TO THE TOWN BELL. Dep. reeve LENNON read a letter from Town Engineer Bowman, enclosing the bill rendered by Mr. John Makins for certain repairs made to the town bell. He held that the charge was excessive...Mr. Makins made a short explanation, and said he had been treated somewhat shabbily by the engineer....Mayor Smyth said the matter was not one that should have been brought before the council. These little disputes should be settled amicably.

The 10 o'clock rule was "temporarily suspended."

REPORT OF FINANCE COMMITTEE. Reeve Williams, chairman, precented the report, which recommended payment of accounts aggregating \$248.43.—adopted REPORT OF STREET AND BRIDGE COM-

In the absence of Dep.-reeve Fisher Engeer Bowman read the report, which recommended that the petition of W. B. Fee and others relative to opening up certain streets in the east ward be not granted; that no action be taken this season on petition from Green & Eliis; that the price of the gravel pit situated near Hopkins farm be obtained; and that the Goheen drain in the east ward be not proceeded with at present.... Enquiry was made as to the reason for stopping work on the drain, and the report was finally referred back for reconsideration.

HE GETS A CHAIRMANSHIP. On motion of Coun. Brown, seconded by Coun. Parsons, the name of Coun. H. Waiters was ordered to be added to com-mittees of which Mr. Comstock had been

TOWN ENGINEER'S REPORT.

Mr. Bowman made a verbal report referring mainly to the various drains.....
Reeve Williams alluded to some work passed early in the sesson and enquired why it had not been done. He would like an answer from the engineer....Mr. Bowman said it was impossible for him to make all the repairs necessary with the money at their disposal.....Reeve Williams said that was not answering his question. Certain crossings and sidewalks had been recommended early in the season, but had been neglected, while other work nessed at a later date had been completed. Citisens had to wade sake-deep in mud for want of a crossing when one day's labor of a man would remedy matters. There was something wrong.... Engineer Bowman defended his course warmly and a deal of cross-firing ensued. Finally the report was received and ordered to be

It being past eleven o'clock the reporters withdrew. It is understood that the council has since adjourned.
