HANGING LAMPS.

These lines are bound to sell readily at the prices set upon them--in fact, every one that leaves the store means a money loss to us. They are handsome in appearance and will adorn any home; besides, they constitute a real comfort.

It's surprising what beautiful shapes and colors glass is made to assume now-a-days and one of the prettiest lines is known as Bohemian. Still, we propose to dispose of these almost at your own prices. Call and see these goods.
