COMMITTEE ON OFFERS

A committee of the House of Commons, consisting of Messrs. Mackenzie, Doherty, and others, have been appointed to consider the offers made by the various companies for the purchase of the Victoria Railway. The committee will report to the House on the 17th inst.

NORMAL SCHOOLS

The Government has decided to establish normal schools in each of the provinces. The first of these schools will be opened in the city of Toronto in the month of January next. The object of these schools is to train up a class of teachers who will be able to instruct in the primary and secondary schools of the country.

The bill for the relief of the Victoria Railway is now before the House of Commons. It is a bill to amend the Victoria Railway Act, 1871, and to give effect to the recommendations of the committee on the subject.

NO LONGER FOR OFFICE

Mr. Mackenzie has announced that he is no longer for office. He has done this in order to give the Government an opportunity of forming a new ministry.

PARLIAMENT BUILDINGS

The Government has decided to build a new Parliament building in Ottawa. The building will be a grand and imposing structure, and will be the seat of the Government of the Dominion.

DISTRICT NEWS

BOZOVER
A change has taken place in the management of the Bozover. The new management will be more efficient and will be able to carry out the business of the company more successfully.

REPORTS

The reports of the various departments of the Government have been published. They contain a full and complete account of the business of the Government during the year.

CONTRACTS

The Government has awarded contracts for the purchase of various articles. The contracts have been awarded to the lowest bidder, and will be executed in due season.

There being difficulty at present for loans of the money of the Government, it is proposed to issue a new issue of bonds. This will enable the Government to raise the money it requires for its various purposes.
