Exhibits the Two Former Exhibitions.

THE THIRD ANNUAL CENTRAL EXHIBITION IN Arts and Agriculture of the Dominion of Canada, Toronto, Ontario, North-West, and Durham, opened here on Tuesday last with a very large number of exhibits in the various classes, and the general expression about the Fair which opens to-night is that it has proved highly successful, and exciting the hopes made either in Toronto or Port Hope. There were entertained on Monday evening that the weather was not likely to hold up and that we were going to have a wet time of it, but to every one's surprise and pleasure old Sol came out in all his glory on the opening day. As early as Saturday last entries for the Fair began to arrive and continued up to 10 o'clock on Monday. The last hour at which goods could be received. Monday and Tuesday were devoted to the arranging and classifying of the different articles which took was not completed without a great deal of arduous labor on the part of the exhibitors and attendants.

THE STRAITS CHURCH - The church was opened to the public during the three days of the Exhibition presented a very interesting appearance with its crowds of pedestrians and those in vehicles either going to or returning from the Fair.
