The Ministerial organs are still  
holding of the great personal  
power of the late Minister. They  
are not yet ready to give up the  
idea of a personal power which  
has been the basis of their  
policy.

At the late meeting of the  
Council a petition from  
Messrs. W. L. Russell & Co.,  
of Toronto, soliciting the  
co-operation of the Council in  
the matter of the abolition  
of the corporation, was read  
and referred to the committee  
on the subject. The committee  
has not yet reported, but it  
is believed that the petition  
will be referred to the  
Council at an early date.

THE RESULT OF IT  
The result of the petition  
is that the Council has  
decided to co-operate with  
the petitioners in their  
efforts to abolish the  
corporation. This decision  
is a great victory for the  
petitioners and a great  
disappointment to the  
corporation.
