MADONNAN SHOWN THEM
WHY WE FIGHT

Mr. JAMES MADONNAN, Q. C., the...
of the Dominion, in North Victoria, on...
Monday evening last.

A NATIONAL POLICY

The National League has reason to...
regret itself on the success that...
has attended the labours of Messrs...
Payson and Warner, who have for...
some time past been ably advocating...
in various parts of the Province the...
cause of Protection. Their exposition...
of the subject last week in the Opera...
House in this town was so held that...
those who listened to their arguments...
could not but feel that a policy that...
will benefit and foster the...
agriculture, the mining, the...
manufacturing and other interests of...
the Dominion is the policy that is...
required at the present time in Canada.

ON THE STUMP

For the next few weeks we must...
make up our minds to listen to the...
most extravagant statements from...
those who have taken the stump on...
behalf of Mr. JAMES MADONNAN. But...
as a friend of ours once said "it is...
a good thing to have two saws for...
you can use all you have at one...
and let it out at the other." To judge...
by the proceedings last Monday evening...
at the first public meeting held in...
this town, we have no doubt that the...
policy that was adopted at that...
meeting was a good one. It was...
that which we have long advocated...
and which we believe will be...
adopted by the Dominion. It is...
the policy of Protection. It is...
the policy that will benefit and...
foster the agriculture, the mining...
the manufacturing and other...
interests of the Dominion. It is...
the policy that is required at the...
present time in Canada.

THE NATIONAL POLICY

By a National Policy we understand...
a policy of self-protection, a...
policy in the interests of a country...
which is framed, a policy that will...
protect the national products, the...
manufactures and the labour of a...
country. By this we mean a policy...
that is framed, a policy that will...
protect the national products, the...
manufactures and the labour of a...
country. By this we mean a policy...
that is framed, a policy that will...
protect the national products, the...
manufactures and the labour of a...
country.

Mr. Wm. McQueen, Jr., one of the...
first speakers last Monday evening.

Mr. Wm. McQueen, Jr., one of the...
first speakers last Monday evening...
in which he set forth the...
policy of Protection. He...
argued that the...
policy of Protection...
was the only...
policy that would...
benefit the...
Dominion.

BUSINESS CHANGE.

Having taken into partnership in the Dry Goods Business my...
nephews, Messrs. J. D. & WM. FLAVELLE, the business will in...
future be carried on under the name and style of

DUNDAS & FLAVELLE BROS.

J. R. DUNDAS.

The stock having been so much reduced during the great clearing...
sale, we have been obliged this fall to

IMPORT VERY LARGELY,

So that our

STOCK WILL BE FOUND ALMOST ENTIRELY NEW.

The principle that has sustained the business for so many years, of keeping only

The BEST Goods at the LOWEST Prices,

Will be strictly followed out. Never in the previous history of the Dry Goods Trade have...
goods reached

THE PRESENT LOW FIGURE.

And that we may be able to mark our goods unusually close, we have decided to abandon...
the old custom of giving away spools and other trimmings.

To Encourage CASH BUYERS we Will Give a DISCOUNT

On all cash purchases exceeding THREE DOLLARS.

DUNDAS & FLAVELLE BROS.
