are busily engaged. FEVER - It is reported that the scarlet The farmers are about through sowing fall Cubitt and Major Deacon in being able were the last to leave. A large fatigue

PETERBURO. ANOTHER FIRE. On Saturday evening another fire broke out in the biscuit and confectionery factory of Hall Bros, on Water street, which resulted in another destructive conflagration, destroying that Water and Huster streets, and was owned selves. by Mr. Geo. Dunstord. The loss is as \$15,000, on which there are two insurances, one for \$4,500 and the other for \$3,800. Mr. G. W. Hall is insured in the Western for \$1,000 and in the Royal for \$2,000, and the loss in stock and machinery will probably amount to \$2,500 or \$3,000. Mr. J. L. Brown is insured in the Westem for \$1,000, which will cover his loss. Mr. A. P. Morgan has a policy in the Correspondence of the Wanter. London Assurance Corporation for \$1,000

OAKWOOD.

Crespondence of The Warder. Exertision. The excursion to Toronto set on foot by the trustees of the C. M. church of this place was a grand success. The village was almost wholly depopulated. Could Goldsmith have visited it on Thursday, he would have considered it a fit subject for a second poem entitled "The Deserted Village."

FIRE. The cheese factory situated on the 7th con., Mariposa, and owned by Mr. John Rogers, was destroyed by fire on Sunday night. As the factory has not been in operation this season it is supposed to have been the work of an in-

Remajors. The Rev. Mr. Loranger delivered a very eloquent sermon on Sunday last in the M. E. church to a large congregation. The rev gentleman has won many friends in this section on account of his genial manner, and through his zoal and earnestness in the promotion and would'nt give Billy "a dashed cent," of God's cause.

GRAIN. Mr. John Sheridan has returned to his post at Mariposa station, and is prepared to pay the highest price for all kimis of grain. Lake the Roman soldier of old, his mottois "nosurrender" to opposition buyers.

LITTLE BRITAIN.

Correspondence of The Warder. FIRE. - The cheese factory situated the 7th, line Mariposa, owned by Mr. C.

Rogers, was burned early on Monday morning. No cause is known, the natural suspicion is incendiarism, this suspicion has nothing as far as your correspondent is aware to hear it out, save the mystery that surrounds the affair. The factory has not been in operation for the past two months. Mr. Miller who had worked it for the past two years having rented the Little Britain factory. and found it more profitable to manufacture all the milk received in the latter place. The loss to Mr. Rogers is about \$2,000; Mr. Miller on contents \$100. I have not ascertained if there was any

MANUFACTURES. -- Mr. Joseph Maunder tion in Toronto the last week of the fair, being unable from press of work to get it finished in time to be entered for competition. The harrow was critically examined both by farmers and mechanics, who pronounced it to be just what was He has received several wanted. He has received several applications since for the purchase of territorial rights to manufacture, some being from the province of Queboc. It is being anown this week at the Provincial fair in Eingston.

POLITICE.-It is hardly necessary to ony that your correspondent was to convention, in Toronto, on the 18th in suce and estimatement that pervaded the meeting is the wine the elections are held, at E.McFaely's, stove, tin shop and coal it will be a repetition of 20th Jame.

> A SEVERE wind and rain storm passed over this locality on Thursday, leveling up the batt, with such a soldierly lot of bagging came up with wagons and by 3 the fences and smashing the fruit and shade trees. It also unroofed a barn owned by Joseph Pearn and did considerable damage.

SEVERAL people from around here went tine block which stood on the corner of to the Toronto exhibition to enjoy them-

MR. G. IMRIE has turned his attention follows: Mr. Dunsford's loss on the to the study of botany. He traced a building is estimated at about \$14,000 or thistle root thirteen feet into the hard Mr. and Mrs. Joseph Pearn have gone

to the sunny south for their health.

Mr. J. W. Brokenshire, of Michigan, paid his friends a flying visit a few days ago. BURNT RIVER.

SUDDEN DISAPPEARANCE. - Mr. Darius and another in the Guardian for \$60), but Fountain, who lived about three or four these include the stables, which were not miles from here, left home on Friday burned. Mr. Brownlee's house was in- morning, 15th inst., with his gun as sured, but he had no insurance on his though he intended going hunting and farmiture, which was almost all destroyed. has not been seen since. A number of men were in search of him Sunday and Monday, and although they searched the woods, into which it was thought he went, pretty thoroughly, they found no trace of him. It is feared that he has met with some serious accident, either by a tree or limb falling on him, or the

accidental discharge of his gun. the Bible that Asahel was as "fleet of son eleven years old who chased and caught a wild deer last Monday. The little fellow saw the deer in the field and ground at the railway station. In trying to get out it ran through the fence instead caught it by the leg. Miss Petch hap-pened to be near and Mrs. A. Rettie, who ran to the little fellow's assistance and got the deer by the neck making it completely a prisoner. Mrs. Hudgson seeing the prize got it into her stable and then claimed it, saying that she would sell it but I hear the deer somehow got away.

ISLAY.

Correspondeder of the Warder. A Lost Har. -On the morning of last July a hat was found by Mr. Graham, south of the village, who left it at the post office for the owner to claim. A claimant a few days ago appeared, and now the enquiry is how that hat was lost on the road so early in the morning,

and why it was not claimed before Noisy. -On the morning of the 13th inst., several young men and boys who came into the village in order to take the early train indulged in an unseemly noise. yelling and howling in a disgraceful manner. Such work should be stopped. SHEEP. - Mr. Jack, of Lindsay, passed down here a few days ago with a large drove of sheep, and the best rig attached

seen. It makes a frightful noise. A BEAT. - A heat representing himself as a salesman for a Montfeal hardware house was in the village recently, but with the exception of a little tobacco did not exceed in beating our storekeepers.

NARROW ESCAPE. -Mr. J. H. Triff s few days ago was loading a revolver when the cartridge exploded. The ball passed into the floor between his feet, but luctily did no harm.

WATCHING. -Our sports are watching three bears which are supposed to come into Mr. Smithson's corn field. THE September report of the Untario

Bureau of Industries shows that in Western Ontario the harvest season was an unusual ly long and tedious one. The east fared somewhat better. The crops throughout ma are not so good as those of preceding years.

Under Canvas.

ston and Durham Field Batteries and the On Wednesday the 45th batt. went to Frontenac Regiment of cavalry and brigade staff, numbering in all something tice. A strong gale was blowing from over 1,600 officers, non-commission of-ficers and men, 220 bed tents and 9 marques met for annual drill at Cobourg. the west, which interfered greatly with the firing and the scores were not so high as in former years. The \$20 granted by The first day scarcely anything was the county council to be fired for between done except getting cleaned up and the Victoria county companies was compreparing for actual duty, which competed for with the following result: menced next morning by the quarter Samuel Hopkins, score 44, prize \$5; masters of regiments, batteries and troops | Private Brown, No 6 company, score 29, with their respective quarter sergeants, prize \$4; Private Howie, score 29, prize a corporal and four men from each company, battery and troop who paraded at 5 a. m. and marched to the supply office to draw rations for the day. It will be understood that this was repeated every day while in camp. On . Wednesday at 6.30 a. m. the guards were paraded, the main guard composed of one captain, one furnished by the 45th batt. At 10.30 paraded and were put through batt. drill. At 12 o'clock the men having been dismissed sat down to dinner. The field officer of the day with orderly officers visited each camp and found all satisfied, no complaints having been made. At 2.30 the whole fell in in reverse order for company drill, being inspected by Deputy Adjutant General Villers. At 5 o'clock the whole having been dismissed from off parade sat down to tea at 7 o'clock, the picket paraded and were dismissed to their tents to get ready to turn out at a moment's warning. At 10 o'clock out lights was sounded when all laid down in their blankets and slept soundly until next morning, when a repetition of the above was gone through with next day. On Saturday the troops paraded under the Deputy Adjutant General and marched to the brigade parade ground, about one mile from camp, each regiment practiced the movements which were to Monday. The 45th were highly complimented by the Adjutant General for their soldierly appearance and steadiness each battation being loudly cheered as it under arms and congratulating Col. notwithstanding the difficulties ex- party of the 40th remained to take lown in getting men to turn out to have filled keeper's tent when the contractors for
