TO THE INDEPENDENT ELECTORS OF SOUTH VICTORIA.

I would remind you that, notwithstanding what other candidates may say to the contrary, the National Policy has not increased the price of

Ice Cream or Soda Water

to the summer, and that you may be enabled to keep cool during the protracted heat I shall make great efforts to supply a constant supply of superior carbonated beverages, flavoured with pure fruit flavours of my own make, and superior ice cream, fresh daily. Every quantity will please remember the 4 oz and make one trial, and be convinced of the truth of what I state.
