

MACHINE OIL.

Farmers, Traders and Mill Men should try a sample of the celebrated price.

LARDINE MACHINE OIL.

It wears equal to the best Castor Oil, is free from dirt, won't gum, and leaves in both winter and summer.

GOLD MEDALS, FIRST PRIZES AND DIPLOMAS.

Have without exception been awarded to this and other oils at all the exhibitions and industrial fairs since 1876. We claim there is no oil in the market to equal it. Try it, and the oil will speak for itself. Every dealer keeps it.

Ears for the Million.

POO CHOO'S BALM OF SHARON'S OIL. Positively Restores the Hearing and is the Only Relief for Deafness.

This Oil is extracted from peculiar species of small white shells, found in the Yellow Sea, near the Coromandel Peninsula. Every Chinese physician knows it. Its virtues as a restorative of hearing were discovered by a Buddhist priest about the year 1410. Its cure was so complete and easy as to excite the curiosity of the West, and it was introduced into this country by the late Dr. J. C. Moore, who had the honor of presenting it to the Hon. the Governor-General, Sir John Lubbock, at the late Exhibition. It is now being prepared in any quantity at \$1.00 per bottle.

HEAR WHAT THE DEAF SAY.

I have performed a miracle in my case. I have got my hearing back in my head and can hear again.

"The virtues are unquestionable and its cure is a permanent one, as the writer can personally testify, both from experience and observation. Write at once to HAYCOCK & JENNEY, 7 Bay St., New York, and you will receive by return a remedy that will enable you to hear like anybody else, and whose cure is effected by the application of the oil to the ear-drum." Editor of "The Herald."

Only imported by HAYCOCK & JENNEY, 7 Bay St., New York.
