W. H. GROSS.

The oldest Dentist in the County. Over 21 years Dental experience. About 3,000 sets of teeth made during that time. Mr. Gross's insertion made during that time. Mr. Gross's insertion of ARTIFICIAL TENTS is bringing the marror up to nature; they are life-like in appearance, and perfect in eating and speaking. All kinds of plates made, ranging in price from \$9 to \$65 for a full Upper or Under Set. The reputation of his English Black Rubber Plates is established. Those who value excellence and purity, particularly in an article to be worn in the mouth, will have nothing but Black Rubber. It is free from mercory or anything injurious and makes a more durable plate than any of the rubber compounds. One or more of Mr. Gross's English Black Rubber durable plate then my of the rubber compounds.
One or more of Mr. Grow's English Bla ok Rubber
Plates may be found in almost every neighborhood within 30 miles of Lindsay, and all giving
the greatest satisfaction. Red Rubber Plates
made for those who prefer them. Teeth extracted
without a particle of pain by use of ELECTRICITY. Sufferers are daily refleved without
pain or risk and valuntarily offer to teetify in its pain or risk, and voluntarily offer to testify in its favor. Mr. Gross experimented for months with a view of regulating the Electric current to suit the different temperaments. He was the first in Lindsay to introduce it, and is the only one in the place using it successfully. A great many certificates in favor of this great destroyer of pain have been taken. No extra charge for its use. Pure Gas is kept, but, as it is considered unsafe and injurious to health (accidents from its use being of frequent occurrence), it will be given only to parties who insist upon having it, and who are physically sound Natural teeth preserved by filling with gold and other reliable materials. Fillings guaranteed for Five Years. A call upon Mr. Gross will consume but little time, and cost you nothing. Many have expressed deep regret for having got a set of teeth, a tooth filled or extracted, without first calling on GROSS, over Kennedy's store, Kent street., Lindsay. - 1319.

NERLANDS: The oldest established dental practice in the County of Victoria, and the most successful in the Midland district. He has now a stock of about 3,000 teeth, perhaps one of the largest held by any regular practicing dentist in the country, and many of these of the most celebrated makers, such as Ash & Sons, London, Eng., S. S. White & Juste, Philadelphia. The advantages to persons getting teeth are apparent as they have a splendid opportunity of being able to get teeh of all sizes and shades of colors to suit all complexions and thus avoid detection. Mr. Neeland's success in this respect has been such that in several cases persons have been married for years before even the husband or wife were aware that either had false teeth. A large stock of the best English and Ameerican Black, Red, Pink and White Rubbars for places on hand. Mr. Neelands will insert teeth on my color advised—would profee putting on black asthe plates of that onlor aremousesails finished and polished. Many have a strong prejudice against the black on account of the color. In fact Mr. Neelands has had a number of black plates that have been exchanged ferred. As upper or under set from 310 to 500. GAS.—Mr. Neelands has had almost unparalles success with at a Cartala and has no tleman, a physician, has taken it as construct periods some seves or eight times to get tooth out, and always appake in its favor. Mr. Neclands knows manifers of persons who have been ill for years such here had their health restored after taking gas and getting their diseased tooth out. Mr. Neclands made a special study of this gas under Dr. Colton, of New York, the inventor of gas for extracting tach without pain; who has given
