Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing and is at once harmless and effective in preserving the hair. It restores to the hair the gloss and freshness of youth, whether gray, light, and red hair, or whether brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair, and actually causes a new growth. In cases where the glands are not developed, while to brash, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigor cleanses the scalp, and prevents the formation of dandruff, and, by its cooling, soothing, and softening properties, it relieves most of the ailments of the scalp, and keeps the hair cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair
The Vigor is incomparable. It is harmless, contains neither oil nor alcohol, and will not soil white combings. It is an agreeable and lasting perfume, and as an article for the Toilet is both useful and unsurpassed in its excellence.

One Case of celebrated "Mancunium" Fast Pile Velveteen.

The Mancunium, suitable for dress wear, is now so manufactured that no amount of friction of the plain surface or of working in knitting, or other form of fold, can distort the pile or cause it to become defective in any way, and are guaranteed for durability and silky texture, vying with Lyons' velvets in appearance and wear.

KIDNEY WORT

FOR THE PERMANENT CURE OF CONSTIPATION.

No other disease is so prevalent in this country as Constipation, and it has ever equalled the celebrated Kidney Wort in its cure. Whatever the cause, however obstinate the case, this remedy will overcome it.

THIS disturbing complaint is very apt to be accompanied with constipation. Kidney Wort strengthens the weakened parts and quickly cures all kinds of Piles even when Droppings and medicine have failed. Let it be your only reliance.

CHARGE IT UP. DO NOT DENY IT. KIDNEY-WORT

Midland District Notes.

The most brilliant shapes possible on all fabrics are made by the Diamond Dye. Unrivalled for brilliancy and durability.

The quieting, rest-producing qualities, as well as the far-reaching and powerful cathartic effects of Ayer's Cherry Pectoral, render it the very best remedy known for lung diseases.

Beautiful hair is one of the most striking and pleasing characteristics and can easily be obtained by the use of the Chinese Hair Renewer. Sold at 50 cents per bottle by A. Higginbotham - 34 "mos.

Allen's Lung Balsam is warranted to break up the most troublesome cough in an incredible short time. There is no remedy that can show more evidence of real merit than this Balsam, for curing consumption, coughs, colds, asthma, croup, &c.

At the last meeting of the Beach, Port Perry and Seungo Agricultural Society, on motion, the secretary was instructed to communicate with the secretary of the township of Uxbridge Agricultural Society with the view of amalgamating the funds of the Society with those of Uxbridge so that Union Shows may be held by the two Societies next year.

"Figures are not always facts," but the incontrovertible facts concerning Kidney-Wort are better than most figures. For instance: "It is curing everybody" writes a druggist. "Kidney-Wort is the most popular medicine we sell." It should be by right, for no other medicine has such specific action on the liver, bowels and kidneys. Do not fail to try it.

The woman who seeks relief from pain by the free use of alcoholic stimulants and narcotic drugs, finds what she seeks only so far as sensibility is destroyed or temporarily suspended. No cure was ever wrought by such means and the longer they are employed the more hopeless the case becomes. Leave chloral, morphia and belladonna alone and see Mrs. Plimms's Vegetable Compound.

Mr. R. Armstrong, of Kirkfield, came to a very serious loss on Monday, 20th Nov. by having his two barns and their contents destroyed by fire. He was threshing at the time of the fire and so rapidly did the flames spread that the machine was burnt. Mr. Armstrong's loss is probably \$1,200; insured for \$300. Mr. F. McIvor, owner of the threshing machine, loss is estimated at \$100.

In dyspepsia we have in Wheeler's phosphates and callosa a remedy worthy of the attention of sufferers from this common disease. Cases occur which resist ordinary treatment. Headaches and drowsiness after eating continue, irritability, restlessness and depression of spirits, tongue coated, disagreeable taste in the mouth, stomach and bowels changed, liver torpid, and systemic evidences of disordered nutrition. These symptoms readily yield to the Elixir when others mean fail.

Dr. S. R. Brittan says: "As a rule physicians do not, by their professional methods build up the female constitution, while they seldom cure the diseases to which it is always liable in our variable climate and under our imperfect civilization. Special remedies are often required to restore organic harmony and strengthen the enfeebled powers of womanhood; and for the most of these we are indebted to persons outside of the medical profession. Among the very best of these remedies I assign a prominent place to Mrs. Lydia E. Plimms's Vegetable Compound."

A Big Investment.
O. M. Brewer, of Forest, Niagara's Fecular Balsam still holds its own amongst the many cough medicines in the market. He says that he has sold it for nearly a quarter of a century and that its sale is steadily increasing. One family has purchased over 500 bottles for various members and friends.

From Forestville, N. Y., Dr. J. C. Ayer says: "I do not hesitate to say that the Pevonia Syrup has claims to consideration equal if not superior to those of any medicine that has ever come to my knowledge. I have long and extensively used it for various cases, and with the most successful results. Its sale by dealers generally."

The secret of every life is pure blood and good health. Without the one or the other is impossible. Burdock Blood Bitters is the grand key that unlocks the secret, and purifies the blood, and restores health to the weary, ailing, and diseased. It cures the blood, liver, kidneys, and restores the blood to its normal state. It is the only blood purifier that does not irritate the bowels. It is the only blood purifier that does not irritate the bowels. It is the only blood purifier that does not irritate the bowels.

ON S. TAXES Mayor and the hearing details mentioned in set forth, I shall pro- scribe the school the Court House, QUARRY, A. D.
