

# ARRIVED AT Undertaking RAY'S

One Case of celebrated "Mancunium" Fast Pile Velvetan.

The Mancunium, suitable for dress wear, is now so manufactured, that no amount of friction of the plain surface or of creasing in linings, or other forms of fold, can cleave the pile or cause it to become defective in any way, and are guaranteed in durability and silky lustre, rising with Lyons' velvet in appearance and wear.

### Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use, thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brassy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigor cleanses the scalp, cures and prevents the formation of dandruff, and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.

PREPARED BY DR. J. C. AYER & CO., Practical and Analytical Chemists, Lowell, Mass. SOLD BY ALL DRUGGISTS EVERYWHERE.

On Wednesday, while Mr. Thomas Henry, of Sherbrooke street, Peterborough, was looking through a box of paper for an article, he discovered about half a pint of Siberian wheat which he had placed there and forgotten. It was grown in the township of Otonabee thirty years ago, and placed in the box. It is a fine sample of wheat and is as well preserved as if it had only been there a day, and it will be sown next year on the same farm on which it was grown thirty years ago.

Daughters, wives, mothers, look to your health! The many painful and weakening diseases from which you suffer, the pining of a cure, can be remedied by that unfailing regulator and purifying tonic, Burdock Blood Bitters. Ask your druggist for proof. -44-2

Both Lydia R. Pinkham's Vegetable Compound and blood purifier are prepared at 233 and 235 Western Avenue, Lynn, Mass. Price of either \$1. Six bottles for five. Sent by mail in the form of pills, or of lozengers, on receipt of price, \$1 per box for either. Mrs. Pinkham freely answers all letters of inquiry. Enclose 3c. stamp. Send for pamphlet. Mention this paper.

One night last week horse thieves were operating in the neighborhood of Port Hope. A beautiful dark bay horse, four years old, white hind foot and star in forehead, was removed from Thos. Donaldson's stable, Cavan. The horse was traced towards Millbrook, where Alexander Hunter's carriage house was broken into and a valuable cutter robe, etc., were stolen, evidently by the same scoundrels that had been at Donaldson's. This is only one of the many cases of horse stealing that has occurred in this locality during the last few months.

Unbidden guests are often welcomed when they are gone. Disease is an unbidden guest which Kidney-Wort almost invariably "shows the door." Here is a case in point: "Mother has recovered," wrote an Illinois girl to her eastern relatives. "She took bitters for a long time but without any good. So when she heard of the virtues of Kidney-Wort she got a box and it completely cured her, so that she can do as much work now as she could before we moved west. Since she got well every one about here is taking it."

No lady of refinement likes to resort to superficial devices to supply a becoming semblance of her former beauty. It is health alone that kindles the fire that lights the countenance and brings back the fresh tints of the apple blossom to the faded cheek. If anything on earth will do this it is Mrs. Lydia R. Pinkham's Vegetable Compound which has already brought health to multitudes with whom all other means had failed.

A couple of weeks ago, Mr. Foley, a J. P. of Brechin, issued a writ of attachment, which was served by a bailiff on a registered letter in the post-office containing \$100. The deputy postmaster-general was telegraphed in regard to the matter and quickly appeared on the scene, released the letter, and was quite indignant that any bailiff should so far misunderstand his duties as to attach Her Majesty's mail, and equally displeased with the postmaster for permitting any such thing. The postmaster, the bailiff, and the J. P. will be more cautious in future.

There is likely to be a change in the Victoria railway time table. The train will start later and come in earlier. The quick mid-day train during the summer proved a rather expensive experiment. It did not pay at all. It is however noticeable that the train runs on exact time, very seldom and has not a single accident of any kind. It is the line between Hamilton and Lindsay is in first-class order, and the road-bed from Lindsay to Hamilton is as good as any in the province. This is owing to the care of Mr. Murphy, the road-master, who has kept it in splendid order. Mr. McCaw has returned to the line, and is again one of its conductors.

Thompson's Liver Extract is the positive cure for the Liver, Gall Bladder, and Kidneys, the only remedy that has proved itself a specific for general debility, seminal weakness, impotency, etc., and all diseases that arise from indigestion or over-taxed brain, finally ending in consumption, insanity and a premature grave. Sold by all druggists, or will be sent free on receipt of \$1.00 per box, or of six boxes for \$5.00. Address F. J. Cheney, Toledo, Ohio, sole agents for the United States. Send for circular and testimonials of genuine cures.

A most singular accident occurred recently near Newwood. While Gen. Alford was down in a well, 25 feet deep, cutting the rope, a good sized spring pig came along and hit down on the top of George, who had just been in the act of pulling up the rope. The pig struck his father, leaving him in a dazed state, but after a few minutes George came up presenting quite a bloody appearance but not dangerously hurt. The next thing to do was to elevate his position. Some of the neighbors were got and ropes fastened on the pig twice round to the top of the well. The pig, after a few more unsuccessful attempts, gave up and went away. The pig was killed and given to the neighbors.
