Odds and Ends.

Jehlal Slab's Remarks

The rich families of one generation are usually the pauper families of the

next. . Tree best known by its fruit—Crab

when you give money to build churches, select the kind that has no Pianos and Melodeons, stains on it. It will look much the bost to you after it is put into the sold by the firm and himself in the said walls.

A man after spending a whole life-time in the service of the devil, will, now and then, come along, hoary, deerepit, whining, childish, and beg to be taken into the ark of salvation.

together.

Here is a plum tree. We will call
it your Christian life. You prune it, water it, and watch it with tender care. It grows nobly and bears boun-

But by and by you get careless, and the curculio comes tuand has the tree in its power almost before you know it.

Then thorough work is needed or nen thorough work is needed or the tree is lost. It is not only neces-sary to take care of the affected fruit on the the tree, but at the proper time, every inch of ground under the tree should be dug up and repeatedly stirred, and the lowls of the air be permitted to come at it.

But nota very beautiful grass plant is under the tree. To dig would spoil that. And so you hesitate, and hope and think some milder way will do. And swhile you hesitate, and hope, and think, relief gets farther and far ther away, until some day death-steps in claims the ruined tree, and hope and fruition end together.

Creeds-Carly coloured soan bubbles. They always come up during washing, but are seldom of much account afterward.

If blacking boots is the best you can do at present, then by all means resolve that you will black boots well. Make it so hard for your friends to learn you that it will pay them to keep you. Remember what is easi-est gained is soonest thrown away.

Don't trust your happiness to your surroundings only. I find that those who live in temperate climates do not always avoid extremes. When tempted to do a questionable act, always stop and think. "Would I do this if I knew I were

to be in eternity in another hour? Parents, as you treat each other now, so may you expect to be treated by your children when they have passed beyond the years of childhood. No matter how dark the way, we can always safely take at least one step forward; and enough one step al-

ways finish the journey. No lazy, shiftless Christi yet made much trying to pray bread into the mouths of his children.

If you want to be sociable with a new acquaintance, don't got your feet up on his lap and spit all over him—not at first. Begin as you can hold but. You can't hold out that way.

Find a man high in position or the esteem of the world, and you will generally discover a lot of small toadies in his wake. They always remind me of the little blackbirds that hover and hoo and snap up insects around the cattle and sheep, in a pasture in summer time.

Every man has his place in this world, but not every person is lucky enough to find it. The misplaced man is to be pitied. Hull and masts show that on the broad waters, with proper rigging, he could stand in the lead with the largest and best craft there aftent. Instead of that however, here he is in a narrow channel of some seven-by-nine business, his splendid sailing capacity utterly usc-less and where he findshimself at the mercy of eyery smoky, noisy, plucky little tug that chooses to steam up and take hold of his nose.

Tew git wrong things out yure child's hed comb it often.

The time to be karefullest, is when we have a handful ov trumps. SKIMMINGS .- What iz a old bach-

elor? The hero of a cot bedstead. Tew find the square-root of a hog's nose, turn him into a garden patch.

Tew learn yure offspring to steal. on the no ake them beg hard for all you give

How long kan a goose stand on one leg? Try it—that's the way the goose found out. The devil iz a mean kuss; he nev-

keeps his own promises, but allus akes us keep ours. A Western phrenologist has dis-overed that the name of Omaha was

eevered that the name or Omana was derived from a very frequent West-ern exclamation with which that re-gion was familiar in the Indian scalping days, namely, "Oh, my har!"

A vulgar mason, who had become rich by the recent demolition in Paris, was anxious to marry his only son to one of the daughters of a marquis. "I wish you would let my son marry one of your girls," said he. "Certainly," said the marquis; "which does he want—the girl in the kitchen, or the girl that washee?"

Patrick, the widow Maloney tells me you have stolen one of her finest pige. Is that correct or not?

Yis yer honor

Yis yer honor

What have you done with it?

Killed it and ate yer honor!

Oh, Patrick, Patrick! when you are brought face to face with the widow on judgment day, what account will you be able to give of yourself when the widow accuses you of steal-

Did you say the pigwould be there Your riverence?
To be sure I did!
Well, then your riverence, I'll say,
Mrs Maloney, there's yer pig.

PIANOS!
